THE COUGAR'S PATH 1984

We have come to the end of another school year and we are sending off the members of our graduating class. They are going out into the world to make their ways, changes and a better place for all of us. This is the time for each of us to look back on the year just passed with nostalgia, with humor, with understanding, and with respect and pride. This is:

1983-84 IN REVIEW

A black and white photograph of a school building. A large, dark evergreen tree stands in the foreground on the left, casting a shadow on the ground. To the right, a set of concrete stairs with metal railings leads up to the entrance of a building with horizontal siding. The text "1983-84 IN REVIEW" is overlaid in the center of the image.

We remember how *together*
we were . . .

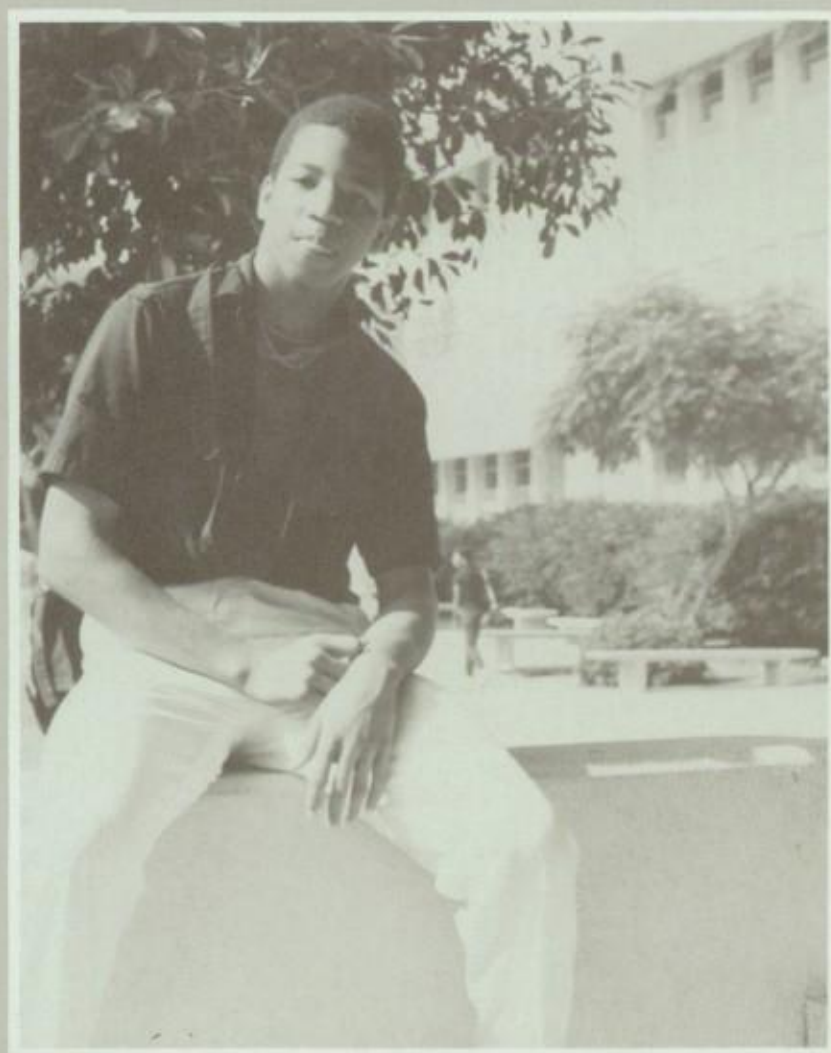

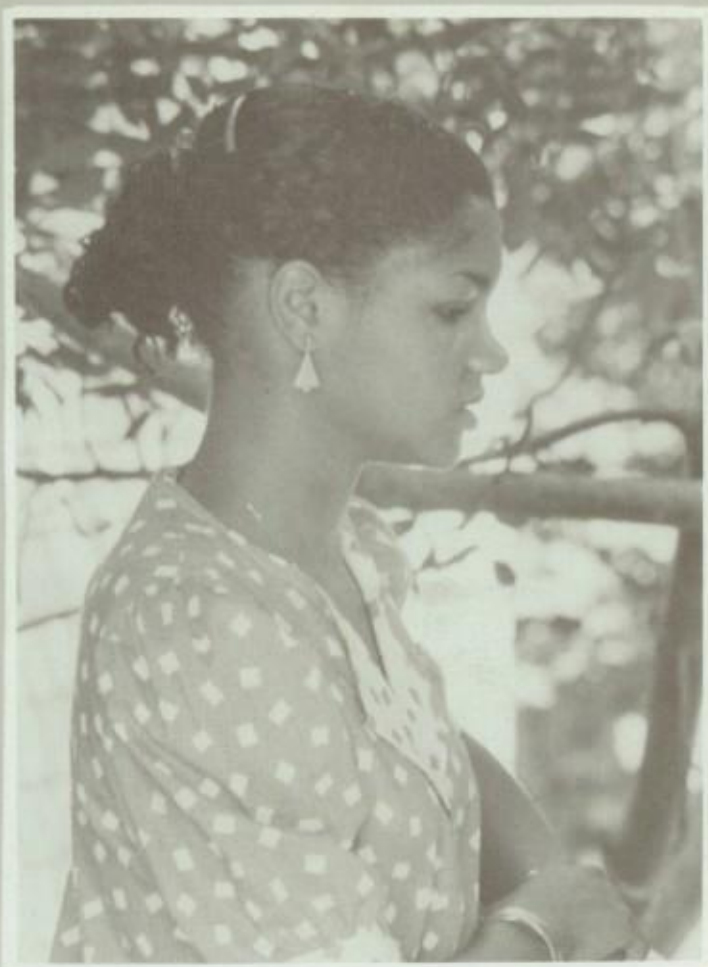

...or how we used to hang around
in pairs

or *alone*...

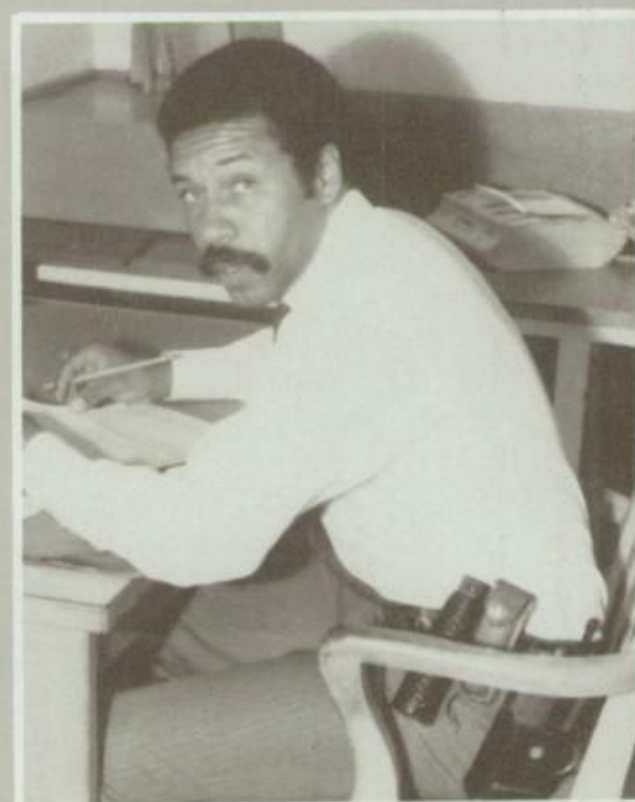

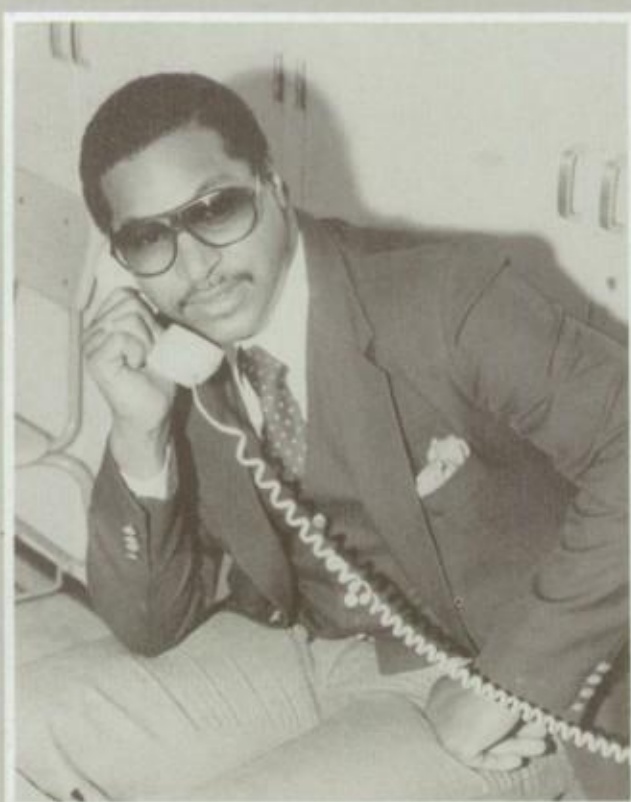

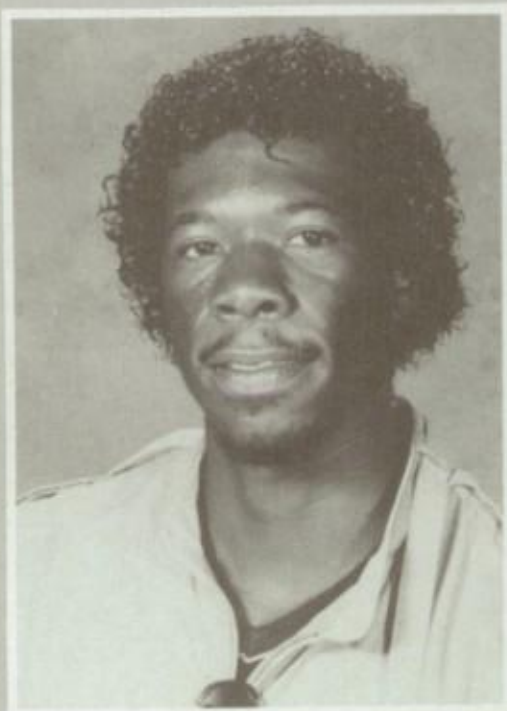

to find our way
...and ourselves.

We remember those often seen...

RIGHT: several well-known students! MIDDLE ROW, left, Roland Scott (campus aide) and right, George Carone (administrator responsible for athletic eligibility) and Doug Pozzo (athletic coordinator). BOTTOM ROW, left to right, three security agents: Gregory Bernard, Ralph Druham and David Anthony.

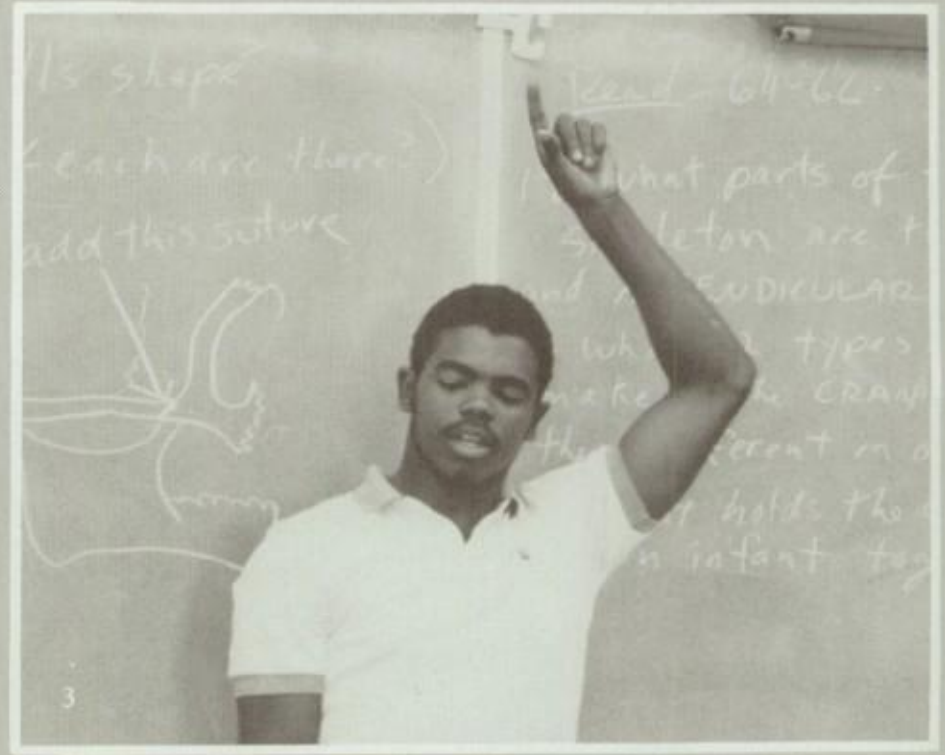

LEFT: **Cafeteria workers** responsible for those county-ticket lunches, nutritions and breakfasts of great fame! Left to right, BACK ROW: Annette Brown, Ruth Chastang, Glenda McIntyre and Willie Stevens. FRONT: Donald Harvey, Helen Cann and Lawrence Freeman. MIDDLE, left to right: Kenneth Stampley and Georgia Woods. BOTTOM, left to right: Carl Thomas and Mrs. Rodgers, President of Crenshaw's PTSA counting your dollars!

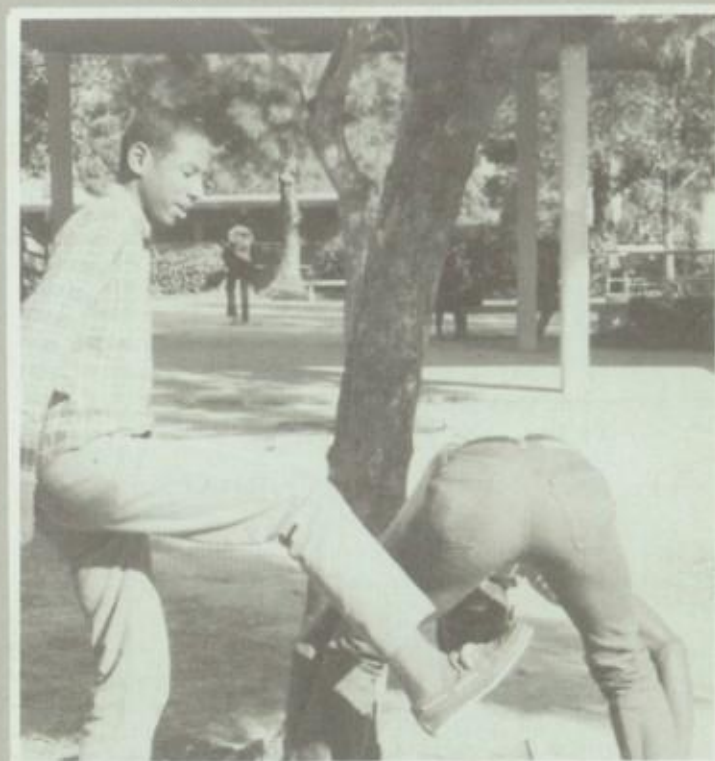

...and some behind the scene.

We remember *learning*, sometimes even *teaching*, and occasionally being *bored* . . .

1. Did you get a look at the **size** of those **roaches**?
2. Hey! Check-out those Freaks!
3. And Brothers and Sisters I say . . .
4. If this class doesn't **end** soon . . .
5. Is Vacation here yet?

...but the SHAW was **usually** a *Kick!*

NOW! Perhaps the most important part of this book... the memories of your friends:

AUTOGRAPHS and MESSAGES!!

To a very nice intelligent young lady known as Tina: Congratulations. I hope you succeed in many more graduation like in College. Make something of your self. If you feel your self coming down - which I know your not - conquer the future and believe in your self - take me as your friend cause I know you can make it in life.

Always your friend
Per-3- - Donita Alvin

TO: Tina,

A very sweet and nice young lady I've had the pleasure to meet in my third period class. Why don't you just stay sweet and smart all the years of your life and make sure you keep the guys in line.

Stay Cool!

Hey Tina!
You are very smart and kind person. In life you will go far. Accounting class would have been a real drag without your help. Thank's
Now a little humor:
2,4,6,8, how in the hell did you graduate?
Smile your an adult now
Good luck in the future

MESSAGE FROM THE PRINCIPAL to the CLASS OF '84

You represent 15 years of excellence for Crenshaw High School. I trust that you leave this institution saying that this is the beginning of your search for more education.

The Administrators, Staff and Faculty salute you on your motto "Knowledge Leads Us In The Direction Of Our Dream". Your dream can be a reality if you accept the challenges that this is a world of uncertainty.

As "Fore Runners", the Class of '84 should be able to solve our energy problems, international hunger, unemployment, mass transportation needs, poor housing, and racial strife. I trust that the great minds that are being developed in this class will provide many of the solutions to these problems.

"Fore Runners", make your motto, "knowledge leads us in the direction of our dream", be the beginning of your efforts to demonstrate excellence in all aspects of your future endeavors.

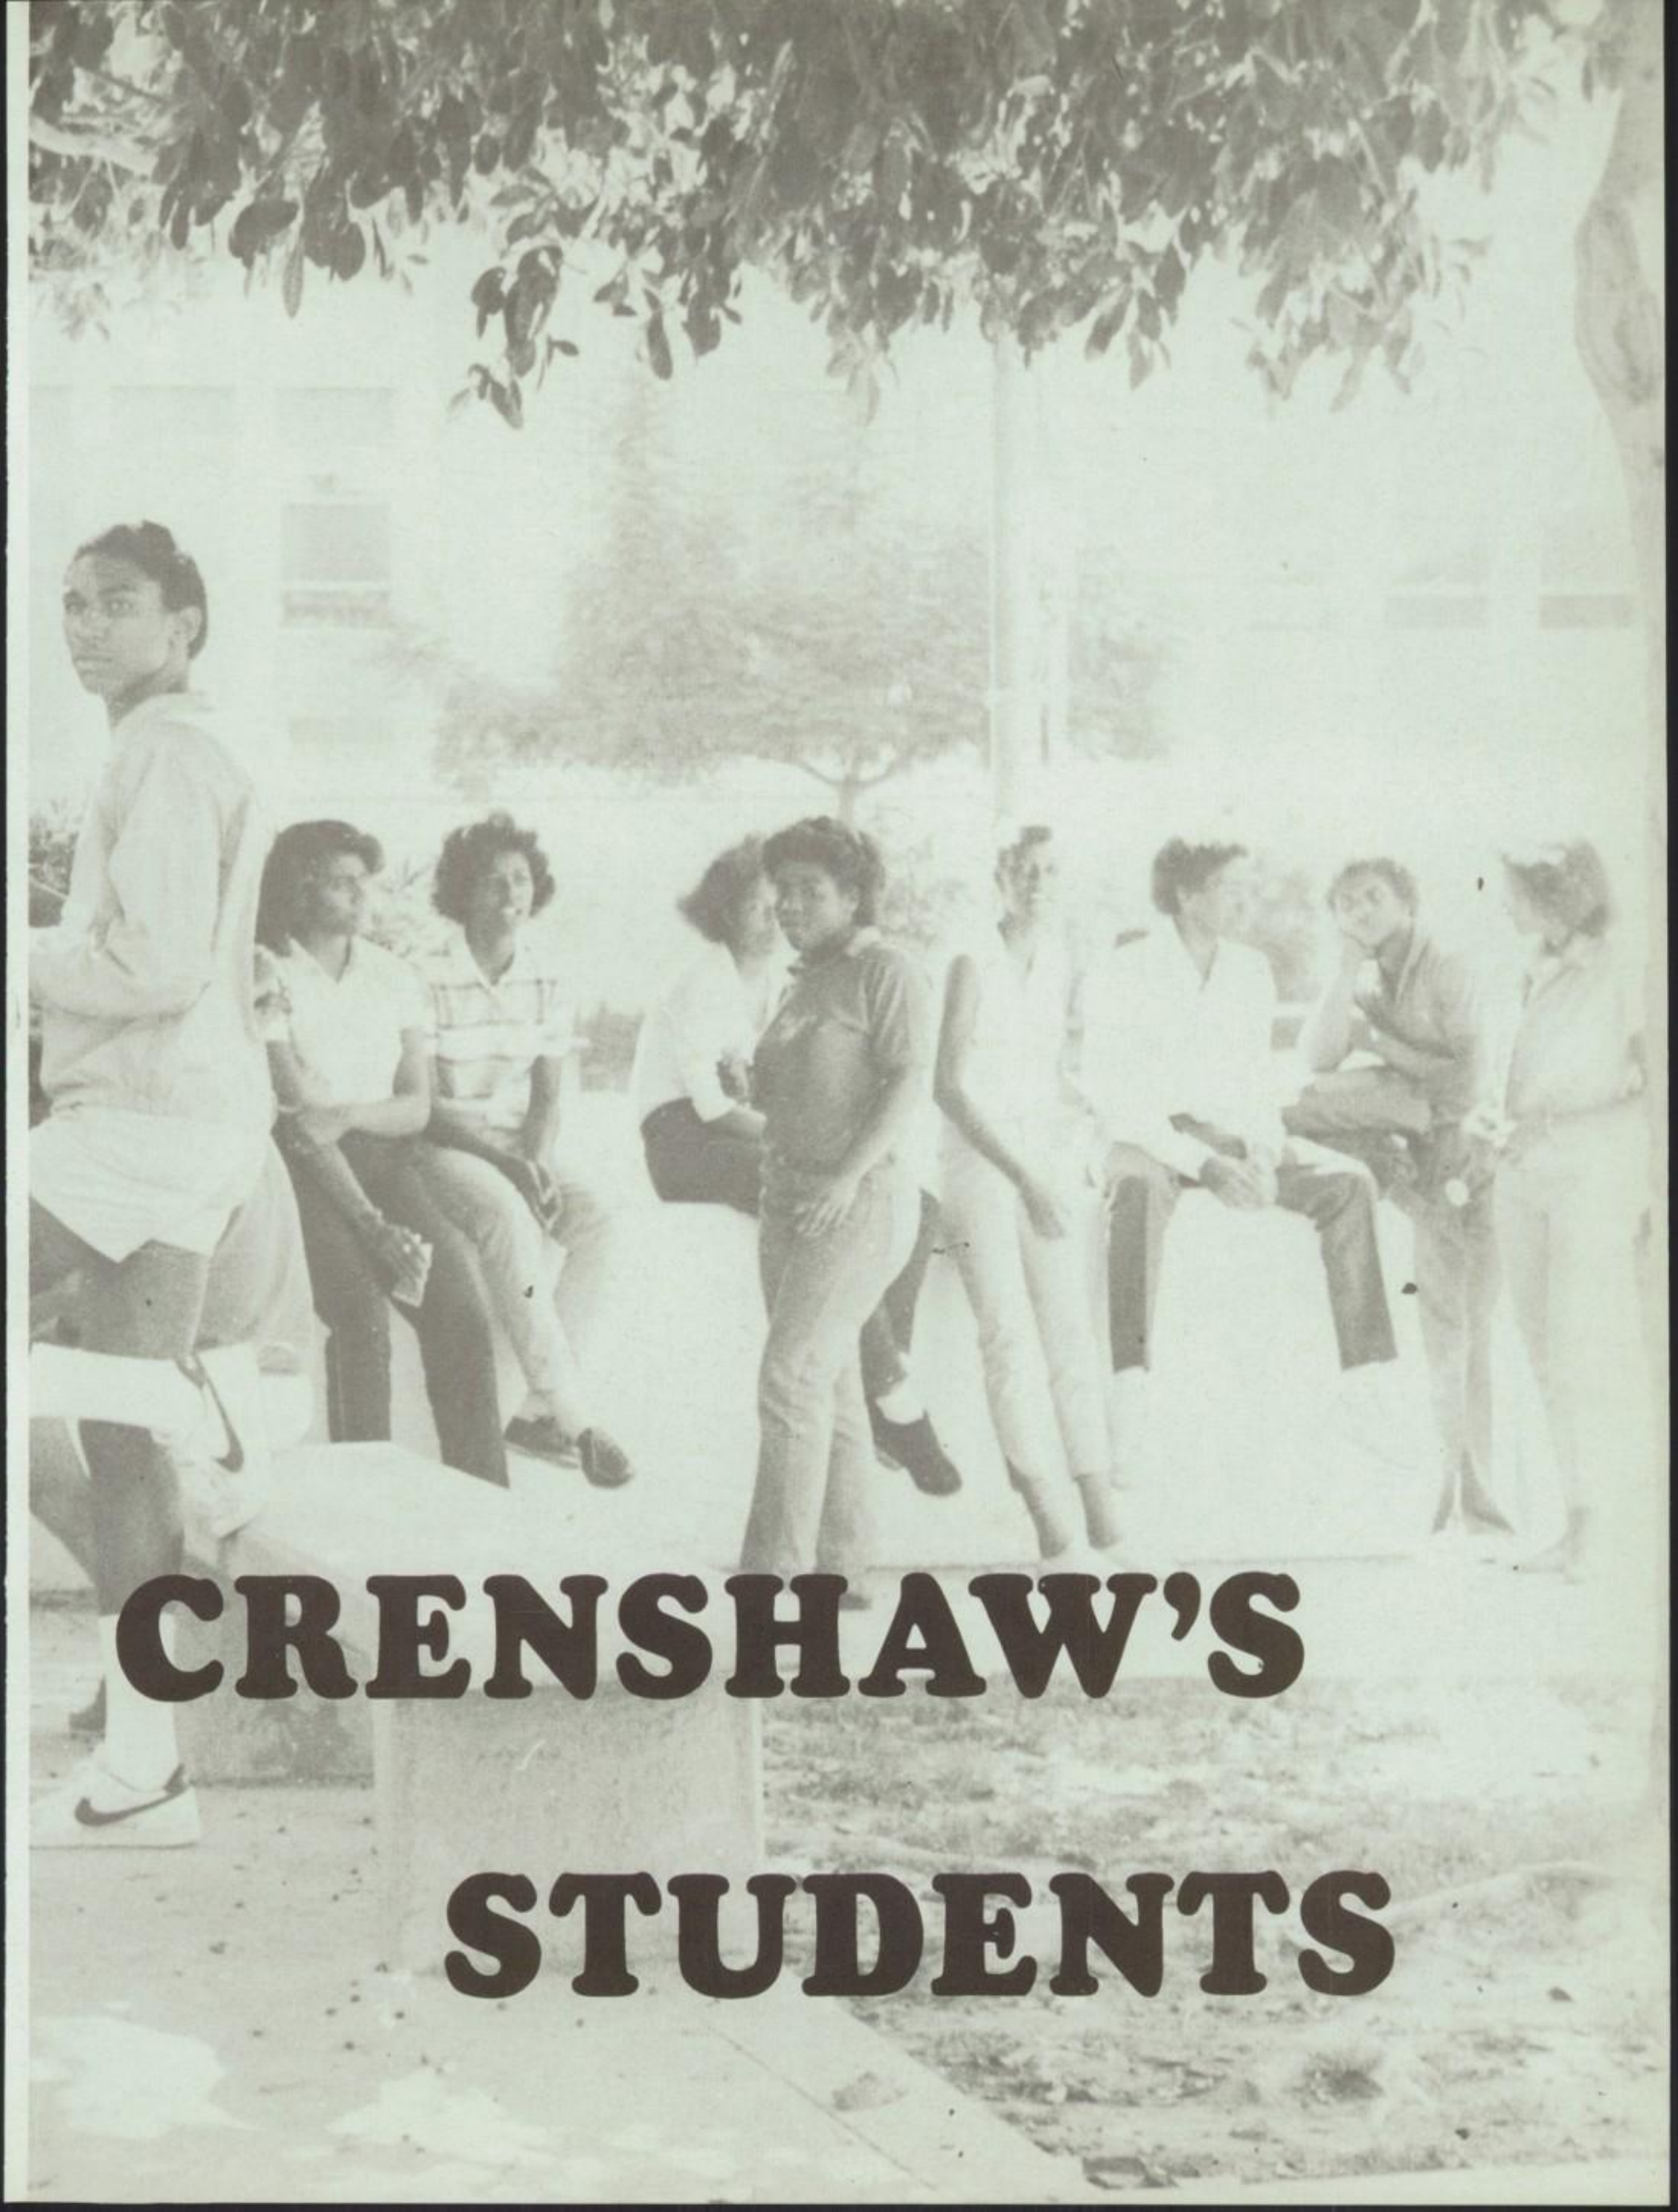

The "Shaw" family salutes you and prays that you become models of excellence for Crenshaw High School.

Sincerely,

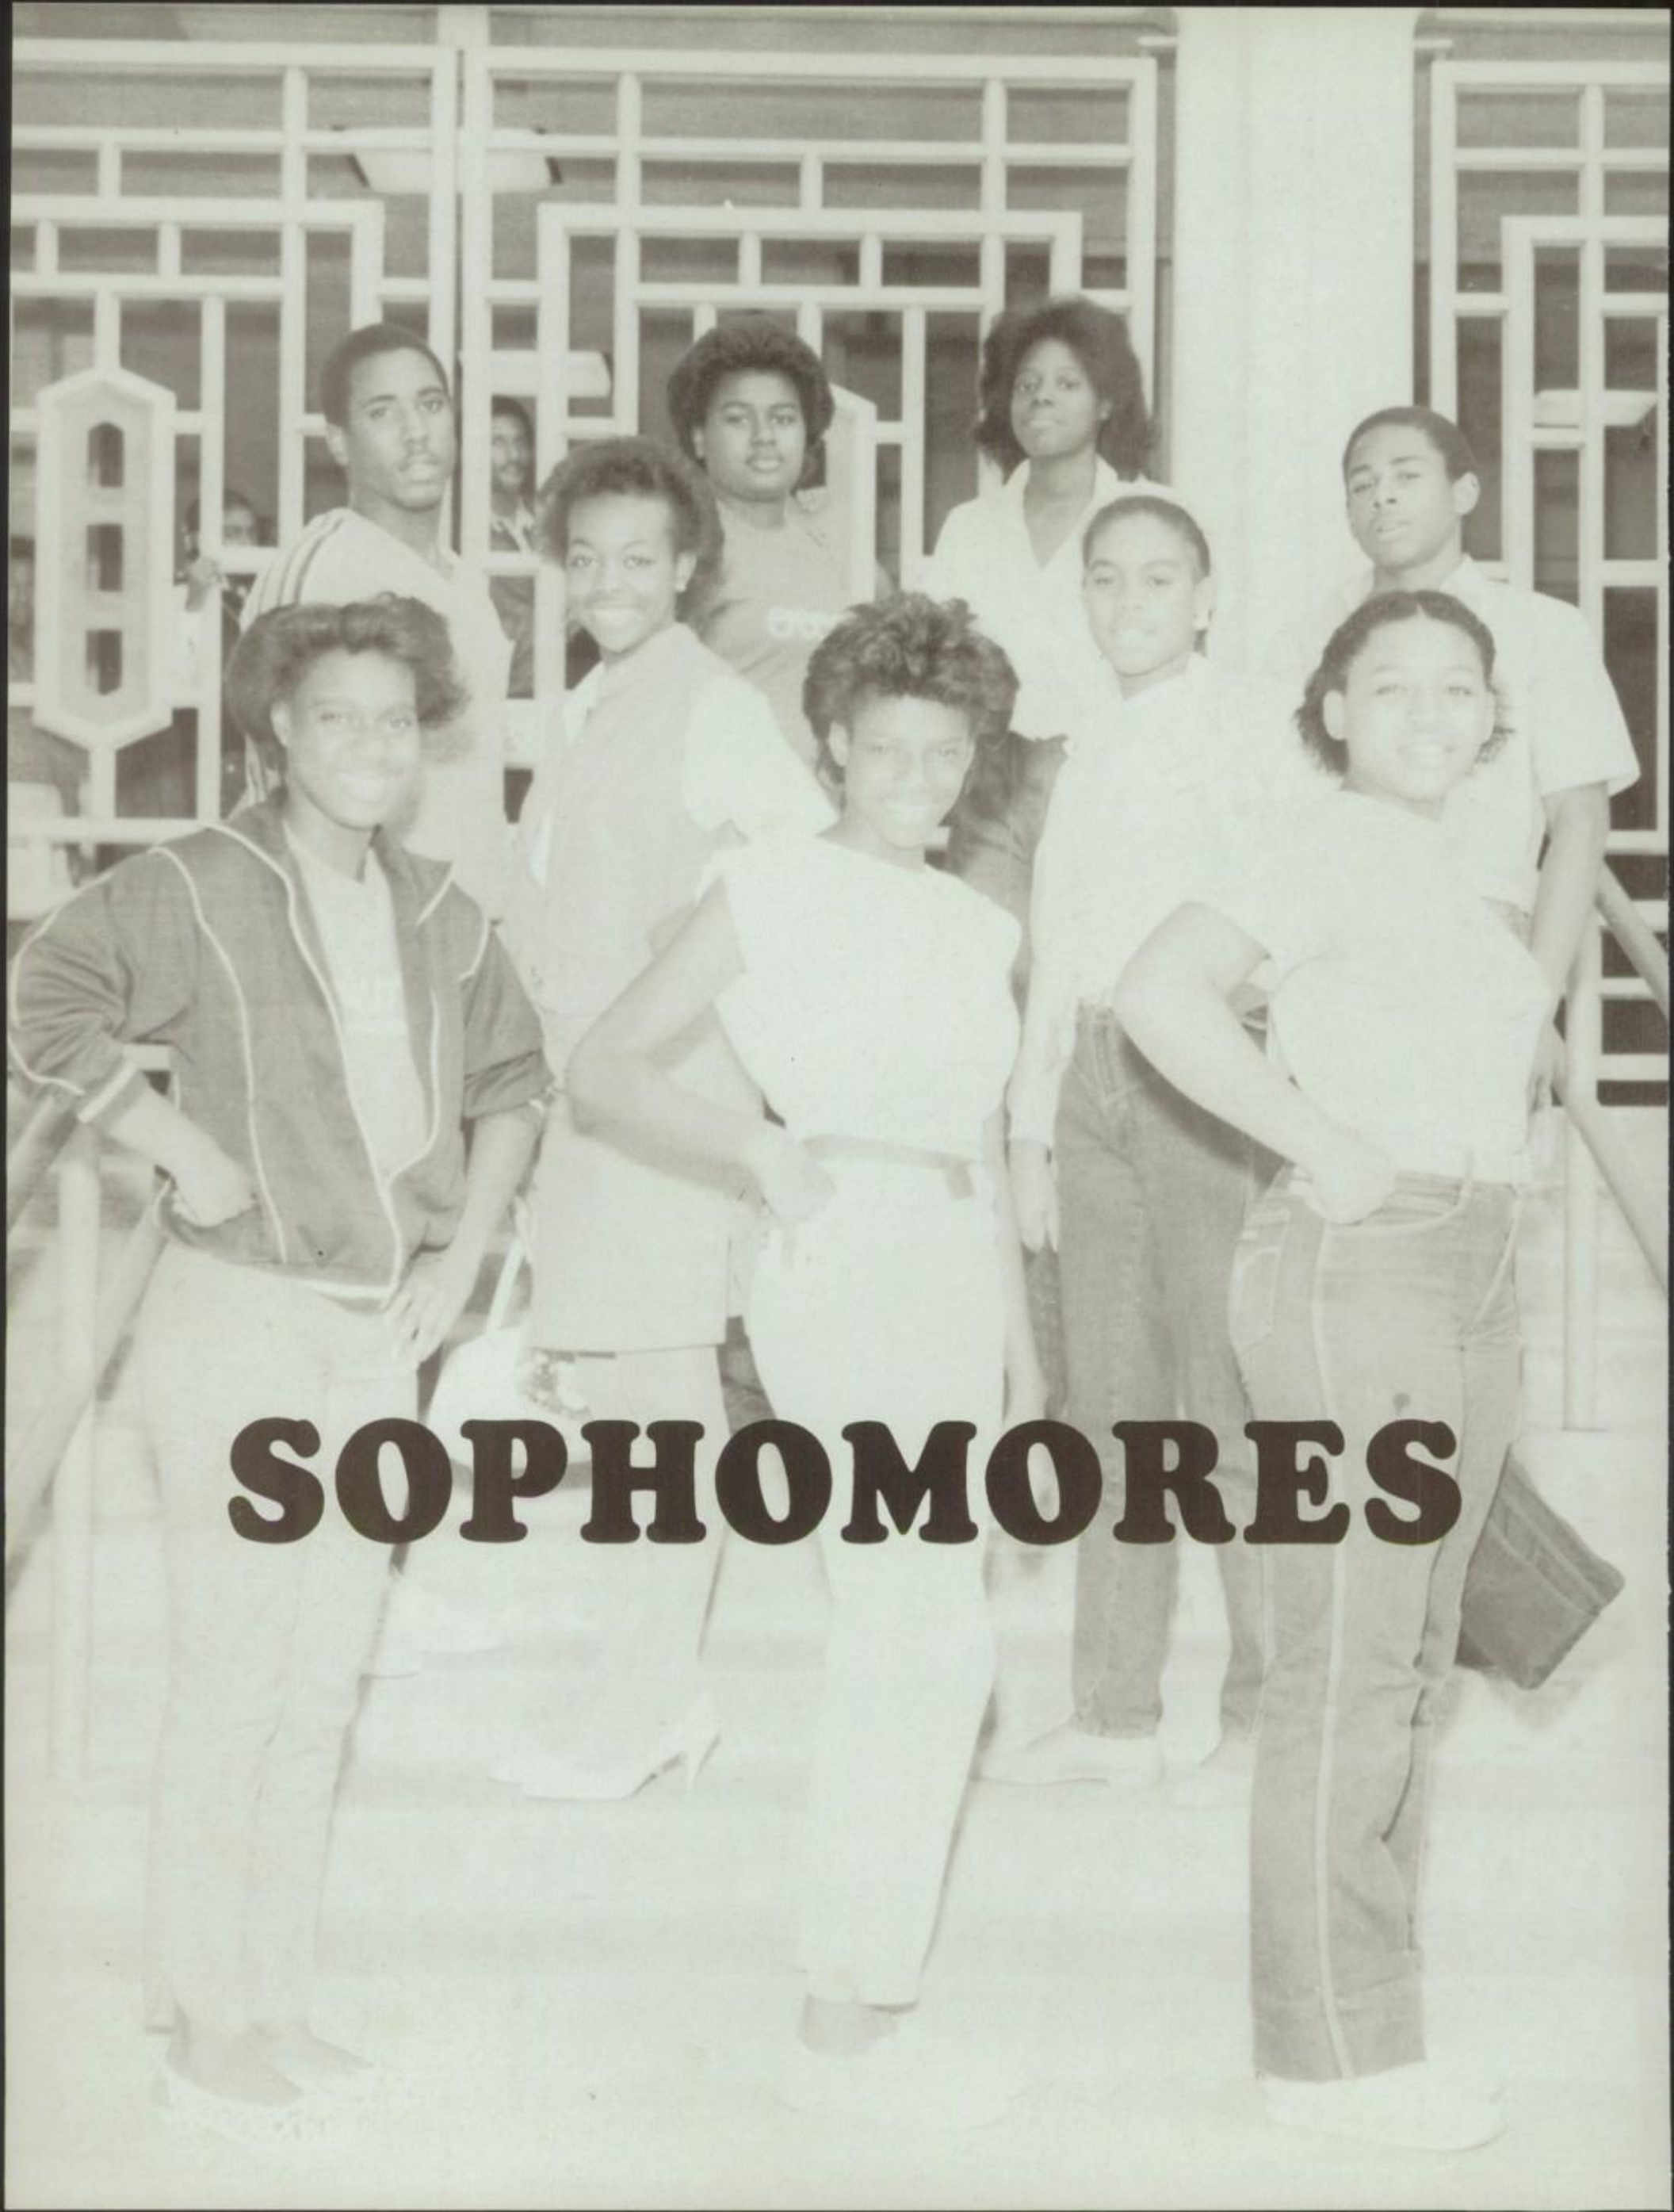

A handwritten signature in cursive script that reads "Lionel H. Joubert".

Dr. Lionel H. Joubert
Principal

A group of thirteen Black students, seven males and six females, are posed on concrete steps in front of a building. The building features a large window with a white grid pattern. The students are arranged in three rows. The front row has three students: a girl on the left in a white short-sleeved top and dark pants, a girl in the center in a white long-sleeved top and dark pants, and a girl on the right in a light-colored long-sleeved top and pants. The middle row has four students: a boy on the far left in a light-colored t-shirt and dark pants, a girl next to him in a white top with a dark bow, a girl next to her in a white top, and a boy on the far right in a brown jacket over a white shirt and dark pants. The back row has three students: a boy on the left in a striped shirt, a boy in the center in a dark shirt, and a boy on the right in a light-colored polo shirt. The word "JUNIORS" is printed in large, bold, black capital letters across the middle of the image, overlapping the students in the middle and front rows.

ACTIVITIES

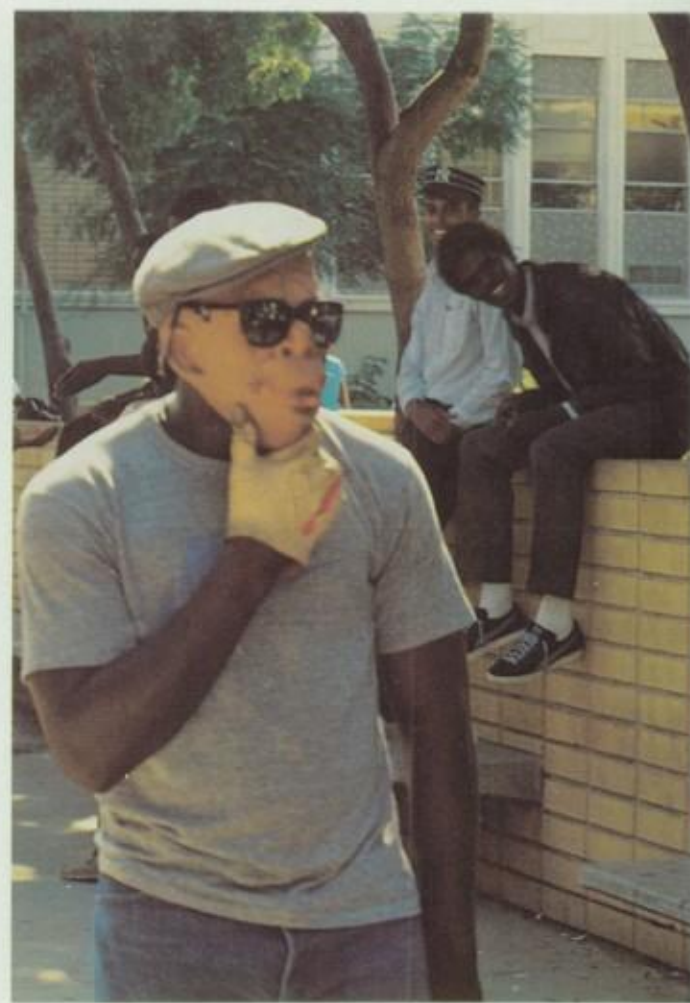

THE BEST OF BLUE & GOLD

The Blue and Gold Assembly is an opportunity for groups here at the SHAW to show their colors, their spirit, and their worth. It also offers newcomers an exposure to groups which may be of interest to them during their stay here.

This year's assembly was jam-packed. Athletic teams, special interest groups, such as Backgammon and Backpacking, and service organizations, including the Ladies and Knights, participated. Band and Drill Team scored a hit with their impressive marching and deafening rendition of ET. In a quieter mode, the 1983 State Championship Basketball Team Banner won by our Varsity Cougars this past year was also a source of pride. It's on these pages. Look for it.

STUDENTS REVEAL TRUE PERSONALITIES DURING HALLOWEEN

Fantastic costumes and masks were sported by Cougars this year! The challenge was to find out the identity of whoever was inside — and to see if we **really** knew them.

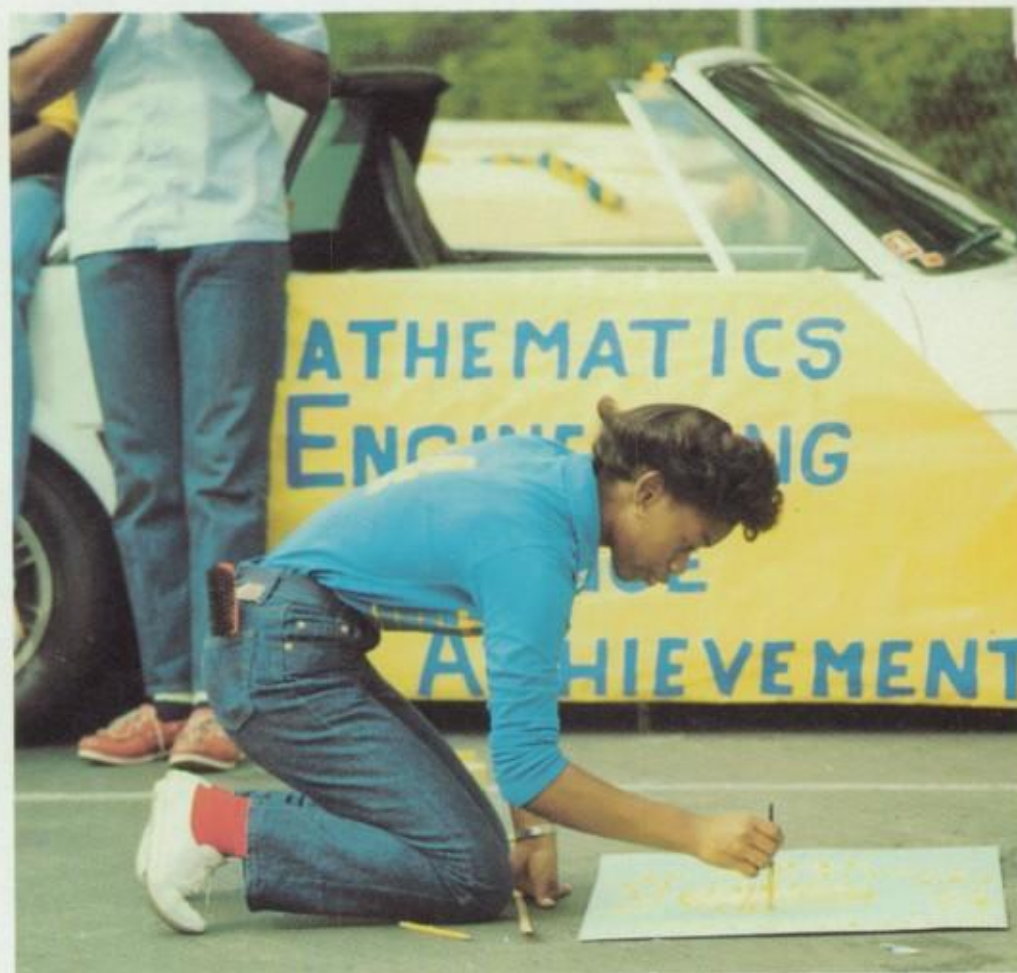

HOMECOMING '83 "We Strive For Excellence . . . Gold Is Our Reward"

The Year's BIG Event—A Time For ALL Cougars, Past and Present

Actual preparation begins with the work of many students and staff almost from the beginning of the school year. However, a major part of preparing for Homecoming is the responsibility of the Leadership group. They arrange for the guests, invite "old" students, encourage groups to enter floats in the parade and, in general, organize the events of the afternoon and evening.

Stage Crew, Art Production and Floriculture also assist in organizing the setting for the day's events. Of course, the Ladies, Knights and other service organizations have roles to play too. Prominent during the game are the Band, Drill Team, Cheerleaders and the day's warriors: the Cougar Varsity Football Team. Oh! One final group deserving of recognition: all those Cougars and supporters in the stands, YOU!

The Judges

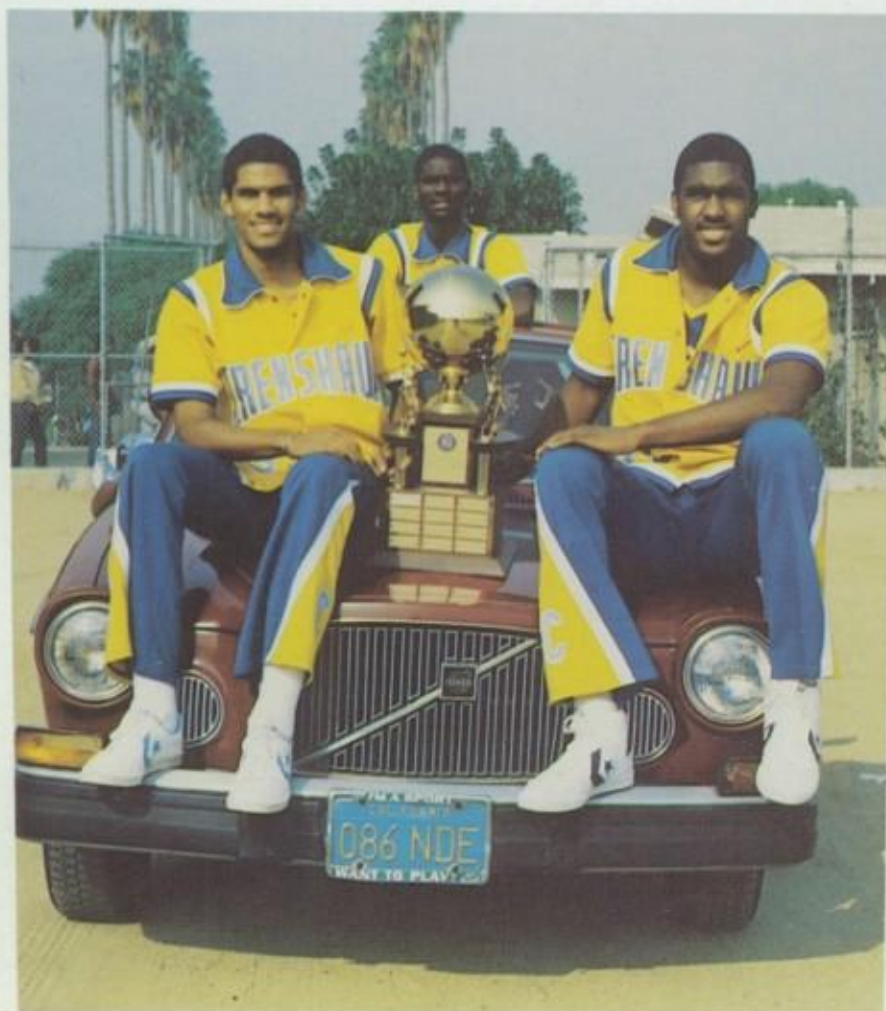

Innumerable staff members assist in making HOMECOMING a reality. The Judges are but one group deserving of recognition. At right, standing: left to right: Brycce Crump, Nadine Williams, Charles Oshiro and John Mushallo. At right, in front: Joyce Scott, David Silvers, Raquel Fuller and Juan Fragga.

THE PARADE

The Homecoming Parade is an opportunity for all clubs and organizations to show their spirit and pride! This is also the time when the Honored Guests and the Royal Court make their Grand Entrances as well.

The '83 State Basketball Championship Trophy rides in GLORY.

Seniors eschew the traditional Blue & Gold; They acceptably sport their classy red and grey.

LEFT: The Fashion Club, one of the newest organizations around, steps out in **strong** style.

AND MORE ENTRIES...

BELOW: Cheerleaders more than adequately fill their ride.

LEFT: Knights recede a few centuries too far back into history for costumes, but their transportation, BELOW, is faultless!

THE ROYAL COURT AND HONORED GUESTS....

RIGHT: Top, left to right: Jacque Bowyer & Gina Bias, 10th grade Prince and Princess and Darin Hester & Rachelle Davis, 12th grade Prince and Princess. Center, left to right: Eric Gillard, Melinda Hunter, Letice Avery and David Gray, 12th grade Princes and Princesses. Bottom, Keisha Castleberry and Paul Weakley, 11th grade Princess and Prince. BELOW: Crenshaw's James West as Master of Ceremonies along with assistance from Leadership's Nedra Stamps.

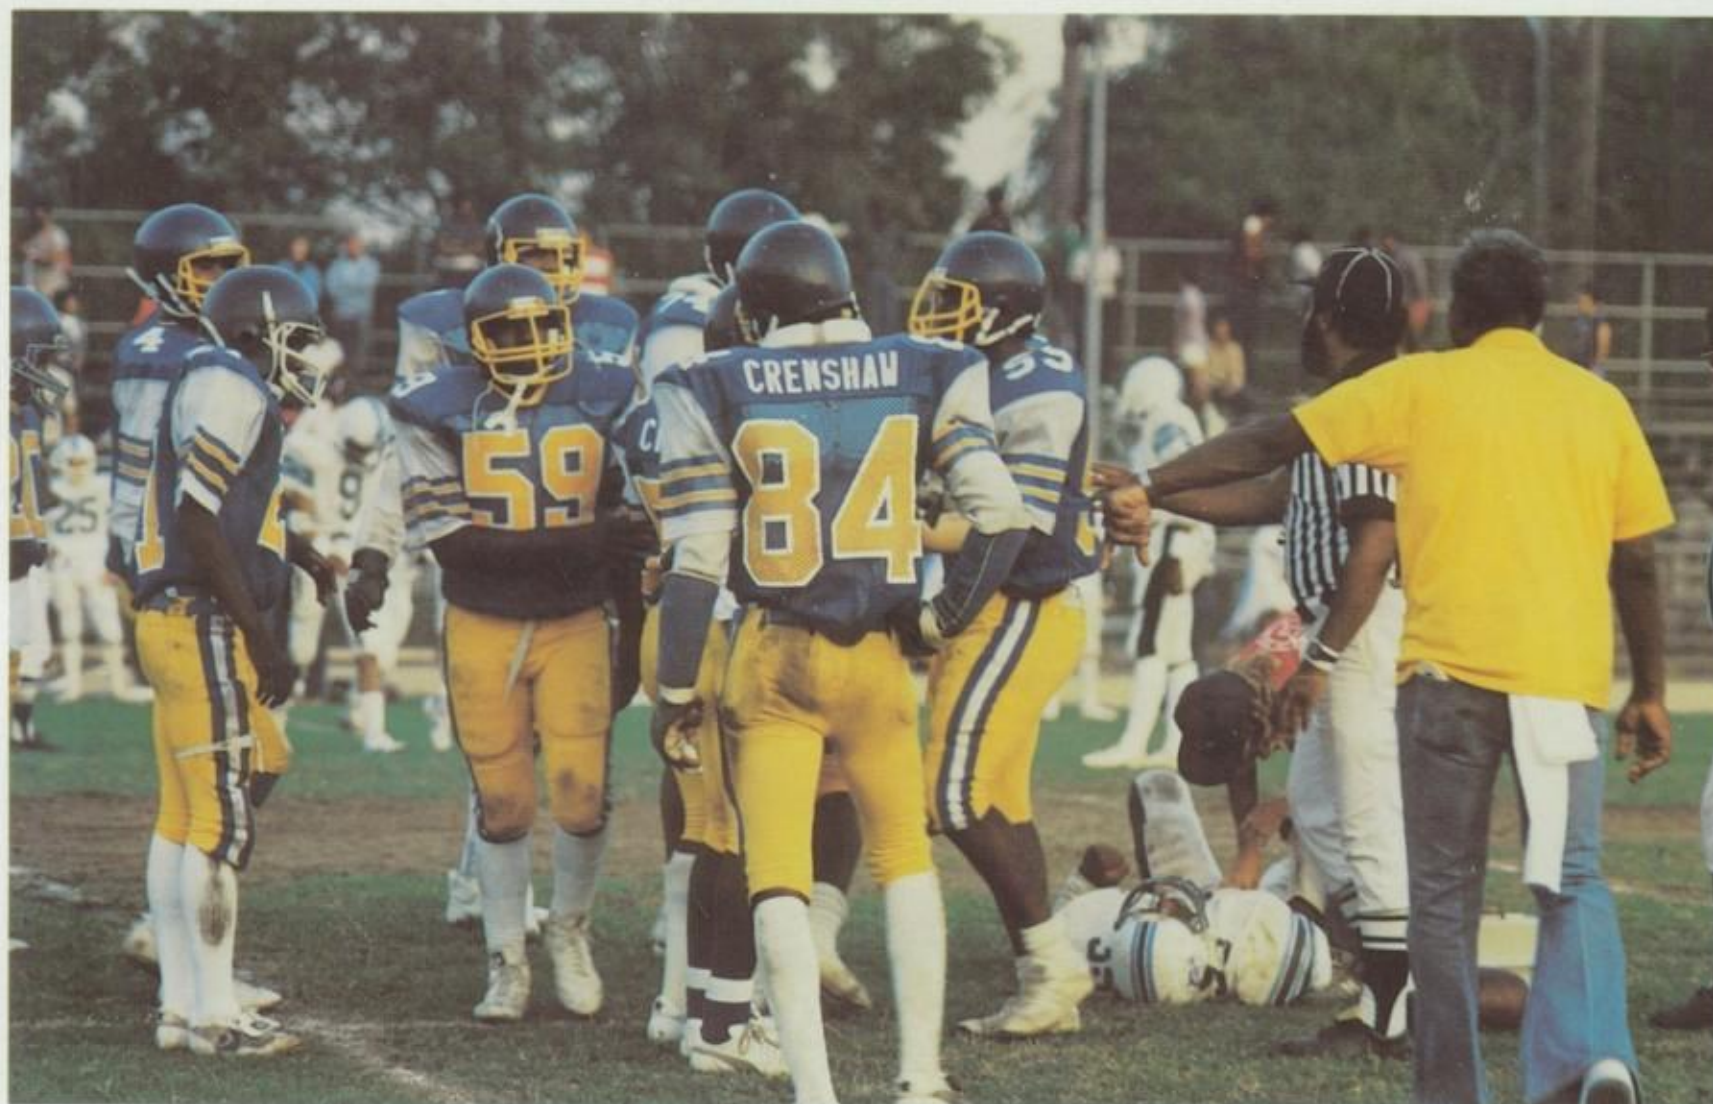

The Royal Couple, Queen Melinda and King David, pause to reflect.

THE KING & QUEEN

BELOW: Left, Councilwoman Pat Russell. Center, Mrs. Rodgers, President of our PTSA, Supervisor Kenneth Hahn and Leadership's Letisha Swinger. Right, Former Cougar, Darryl Strawberry, named Rookie of the Year, is flanked by two members of Leadership, Naita Guine and Arlonda Grant.

THE GAME-A GREAT BATTLE!

The game, which was exciting, was close all the way. The Colts took the lead, but the Cougars clawed their way back in. The game might have been even closer, but was called by the officials with one minute and twenty-four seconds remaining because of the dark. Despite Eddie Fletcher's six catches for a total of 174 yards and two touchdowns, the Carson Colts took the game 28 to 19. Homecoming was still a great day and, to us, our Cougars were still Champs!

Quarterback Doug Allen #4, gives running back Artie Stephan encouragement during the game.

THE CANDY DRIVE ASSEMBLY

or

Selling Candy Can Be Dandy!

The Candy Drive Assembly is a biennial event designed to kick-off our biggest fund raising activity: the selling of World's Finest Chocolate. Each successful candy sale nets many thousands of dollars for use here at the SHAW. The possibility of earning prizes is additional encouragement for individual students and groups to participate.

However, the highlight of the assembly is the Leadership group mimicing a class discussing their tips for selling candy (see photo Above). Each student has an outlandish method — usually bordering on extortion! — which has been successful. And one very successful class member who wins the Grand Prize, a trip to Hawaii, brings back a crew of raunchy, hairy-legged hula dancers (played by members of the Varsity Basketball and Football teams) as trophies from her voyage!

“IMPROMPTU STAIRWELL CLUB”

This has always been one of our most popular Activities here at the SHAW . . . and never more so than this year. The C-Average Requirement for participation in Activities reduced many clubs to skeletal proportions. Do-it-yourself gatherings, such as the one above (which rather regularly met during lunch in the C wing stairwell between second and third floors) became the only option for some students. Fortunately, your classmates above were eligible for other (legitimate!) Activities as well.

DESCRIPTIONS OF GROUPS ON THE PRECEEDING PAGES

CHEERLEADERS

The Cheerleaders are spirited and enthusiastic ladies who are essential for raising the spirit of teams and spectators alike! Much time and energy is spent learning their routines, but when they accomplish their goal, they are able to give our athletes **drive** and **ambition**, and they can cause the stands to really **rock**! They have our gratitude for their services at games and rallies throughout the year.

SENIOR CABINET

This group of elected and selected Seniors is responsible for planning and organizing activities for their fellow classmates during their Senior year. Senior Recognition, competitions with Juniors, the Senior Prom and the many preparations for Graduation Day are but a few of their responsibilities carried out so well that we never even wonder how they were accomplished.

LEADERSHIP

These are the other **heavy-duty** group of governing students here at the SHAW. They are responsible for organizing and carrying out student body elections, planning Homecoming, preparing the Blue and Gold and Candy Drive Assemblies and representing all students' interests to the Administration and Staff.

JUNIOR CABINET

This up-and-coming group of elected and selected Juniors is responsible for planning and organizing activities for their fellow Junior classmates. The experience gained during this year is also valuable preparation should they decide to become Senior Cabinet Members during the following year.

PEP CLUB

The young ladies who make up the ranks of this organization are unsung heroines! They spend a great deal of time after school practicing so that they will be able to support our teams at competitions. They also give a great deal of their time travelling to athletic events where they support our teams with their enthusiastic cheering.

MAIDENS

These young ladies are members of a Junior Honor service organization which provides assistance to Crenshaw at many events. One of their most memorable activities is the annual sale and delivery of **Love-O-Grams** to students and staff for Valentine's Day. Membership in Maidens is also preparation for becoming one of the Ladies.

LADIES

This organization consists of Senior young women who are academically and socially involved with Crenshaw. Qualifications include a 3.0 grade point average and a week's initiation. Activities planned by the Ladies include hospital visitations, teacher's teas and general volunteer work in the community.

FHA - HERO

Future Homemakers of America is a National Vocational Education student organization for young women and men. The goal of this organization is to help members assume their roles in society through Home Economics education in areas of personal growth, family life, vocational preparation and community living.

FBLA

The Future Business Leaders of America is an organization that prepares students for the business world by giving them opportunities to practice business skills, teamwork, thrift and by offering opportunities to visit with business people in the community.

DANCE PRODUCTION

This fast-paced group can be counted on to enliven any assembly. They put themselves **on the line** and **in sight** with their dramatic choreography and dynamic performances.

DRAMA

This group of **show-offs** is responsible for good laughs, poignancy and serious thinking. They, along with Play Production class, learn about basic stage techniques and also receive training in film and television preparation. This training includes auditioning, organizing pictures and resumes, finding an agent, etc. In the past, they have been invited to attend special screenings and see television shows being taped.

PAGES

The **Pages** are the tenth grade honor society. Its purpose is to serve the school and community while preparing members for later entry into the **Squires** and **Knights**.

ABOVE, left to right seated: Philip Thomas and Deshawn Meriwether. Standing, left to right: Dwayne Petty, Mr. Pierre-Louis (sponsor) and Jason Holmes.

SOPHOMORE CABINET

The Sophomore Class Cabinet is a select group responsible for organizing class activities, elections and decisions. This is the beginning of a high school political career for many who will eventually participate in other class and school policy-making groups.

RIGHT, first row, left to right: Adrienne McDonald, Tawnya Jefferson, Bridgette McClellan and Termon Thimes. Second row, left to right: Tara Williams, Robbie Ware, Evelyn Nelson, Vickki Young, Gina Bias and Tonya White. Third row, left to right: Sabrina Rolle, Joslyn Wright, Elena Rivera, Crystal Stewart, Charlyn Jones and Rachel Gibson. Last row, left to right: Bryan Thomas, Mr. David Bonneau (sponsor) and Amos Smith.

SQUIRES

The Squires is an honorary service organization for Junior men. Squires provide services to both school and community while gaining the experience necessary to become Knights in their Senior year.

Left to right: Kevin Guillory, Aaron Grisby, Darold Pettigrew, Frank DeLeon, Tyron Smith and Sponsor A. Solomon. Not shown: Shan Potts and Tony Smith.

KNIGHTS

The Knights are an elite, honorary service organization open to Senior men. They sell tickets to athletic events, act as guides, ushers and doorpersons during back-to-school nights, help sponsor events which benefit the entire student body and also volunteer time to the community.

Left to right, seated: Robert McLennon, Ronald Moore and James Hill. Standing: Mr. Carone (sponsor), Gregory Brown, Brian Lovett and Mr. Voiles (sponsor).

TRI-C

This group, **TRI - C**, is one of the SHAW's newest. As you can see, their into recycling and neatness, picking up after the rest of us during fifth period. The name **TRI - C** has been said to stand for CLEAN, CLEAN, CLEAN, but perhaps it might also stand for Clean Crenshaw's Campus ...

ABOVE: Does this group resemble a recycled Leadership collection? Well, that's **exactly** what they are! If **they** can do it, can we?

KEY CLUB

Key Club is a service organization open to all students. Its primary assistance is to the community, such as collecting and distributing clothing and canned goods to people in need during the Christmas Holiday season.

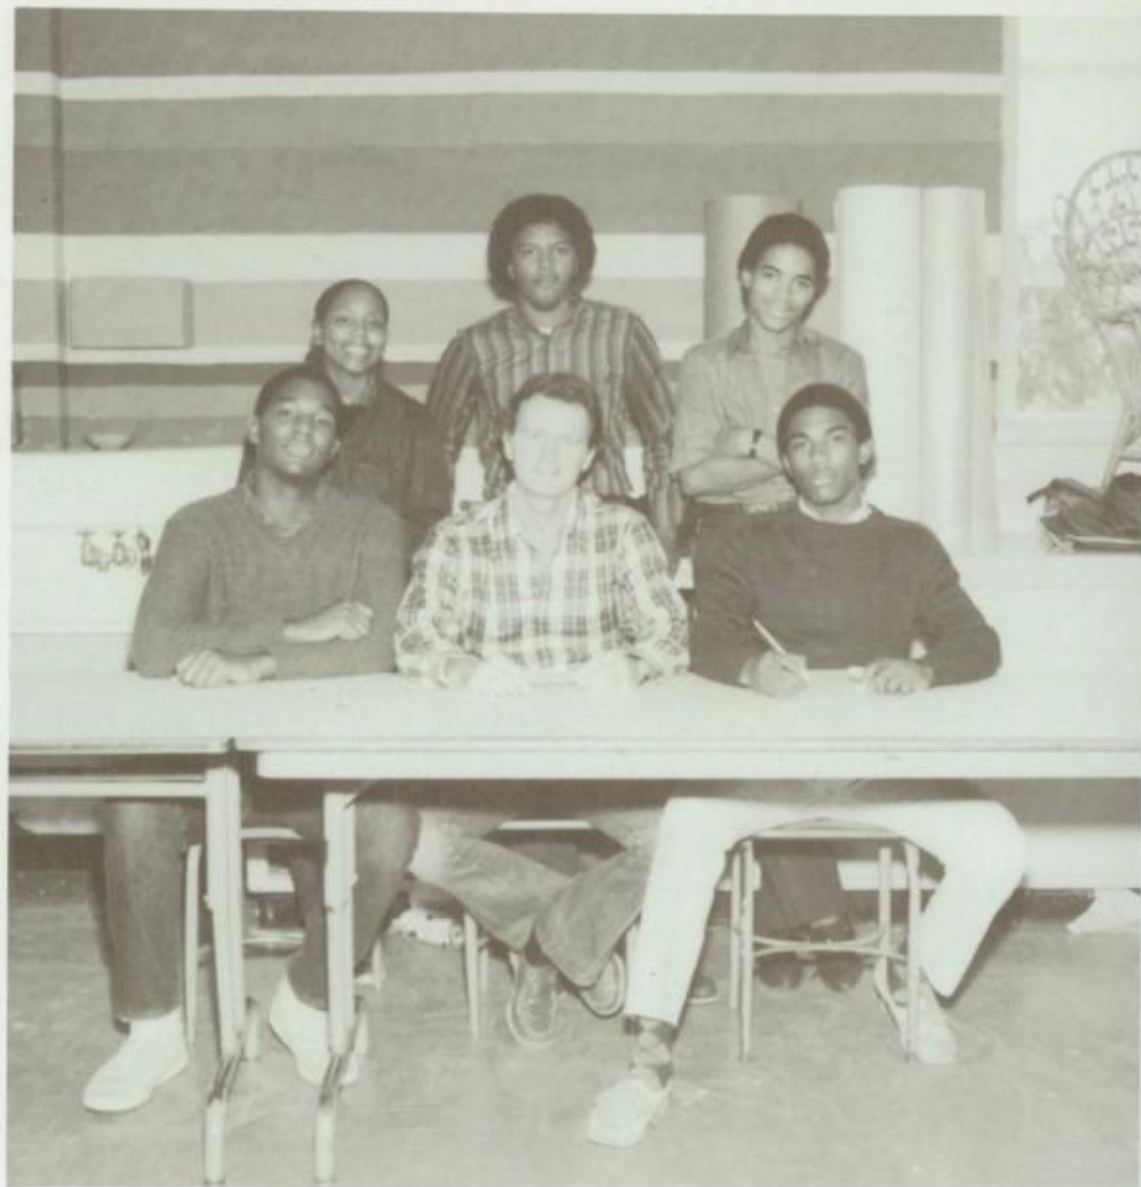

GIRLS LEAGUE

Girls League is an organization composed of young women who plan activities for the young ladies at Crenshaw High. One of their most impressively planned and presented activities is **Girls Week** which takes place in the Spring of every year. This week consists of an assembly, a series of career seminars, an ice cream social, contests, a banquet and, a dance among others.

ABOVE, left to right. First row: Dorthy Llorens, Veronica James, President Naita Guine, Darelyn Ephriam, Mattie Andrus and Tanga Starks. Row two: Lydia Knox and Brenda Watson. Row three: Kimberly Jackson, Jill Johnson, Natividad Munoz, Demetra Robinson and Elisa Gardner. Row four: Andrea Jones, Monica Williams, Lisa Jones, Valerie Henderson and Bridgette Route. Row five: Michelle Miller, Kim Perine, Rena Lilly, Monica Green, Jacqueline Hobbs, Latrese Carter, Denise Sims and Michelle Walker.

ART PRODUCTION

Crenshaw's Art Production class leaves evidence of its talent everywhere! Signs, banners, posters and backdrops for homecoming and graduation are obvious ones. However, many classes and offices also are enriched by signs, letters and artwork done by members of the group. The foil design on the cover of this book and the class logo on page seventy-eight, for example, were designed by Robert Pires. Each member has earned our gratitude.

ABOVE, left to right, seated: Dexter Davis, Mr. Bowman (sponsor) and Robert Mitchell. Standing: Kimberly King, Reginal Holmes and Robert Pires.

STAGE CREW

Crenshaw's Stage Crew is responsible for sounds and sights all over campus. At every assembly, dance, homecoming and graduation, for example, they have the responsibility of setting up the amplification system and managing mixers, mics and lights. This is another group which has earned our gratitude!

RIGHT, left to right; Sponsor Anthony Solomon, Desmond Fredieu, Stephen Stepter and Gregory Smith. Not shown: Andre Bryant and Jerry Kirby.

PLAY PRODUCTION

This group of **show-offs** is also responsible for good laughs, poignancy and serious thinking. They, along with **Drama** class, learn about basic stage techniques and also receive training in film and television preparation. This training includes auditioning, organizing pictures and resumes, finding an agent, etc. In the past, they have been invited to attend special screenings and see television shows being taped.

ABOVE, left to right front row: Lisa Williams, Vertonia Cummings and Dedra Stoudemire. Second row: Frankie Fowler, Damon Wilson, Tish Wheless and Antoine Williams. Third row: Charon Guy, Carla Walker, Donna Clover and Teri Williams. Back row: Eugene Franklin, John Gardner, James Phelps, Collegia Sims and Diron Rivers.

SPEECH & DEBATE

The Crenshaw Speech & Debate Team always turns in some fine performances at tournaments held throughout the area: Torrance, San Pedro, Culver City and at Crenshaw itself. Our speakers manage to bring home awards in events such as Original Oratory, Dramatic Interpretation, Original Prose & Poetry and Student Congress. In fact, during the previous season, our ranks contained **Three State Champions!**

BELOW, left to right back row: Ken Grant, Stacy Williams, Deitre Elliott, Micheal Randle and Ray Tiger. Front row: Mr. Horton (sponsor), Deidre Gregory, Brenda Bainton, Gayle Robinson (co-chairperson), Precious Lee (co-chairperson), Minnie Williams and Clarence Shaw.

LIBRARY CLUB

The students who are members of one of Crenshaw's newest organizations, **Library Club**, perform valuable services for us all. They volunteer their time before, during and after school to check materials in and out and to make certain that everything is in its correct place.

ABOVE, left to right seated: Veronica James (vice-president) and Shirley Gray (secretary). Second row: Lisa Gardner, Jamie Brown, Brenda Watson, Raymond Hodrick (treasurer), Michelle Martin (historian), Beverly Evans and Sherry Green (president). In back: Lenea Clarke, Mrs. Walker (sponsor) and Ryan Osborne.

JOURNALISM

Cry Of The Cougar

Crenshaw's journalism staff consists of students who produce the school newspaper, **Cry of the Cougar**, each month. This newspaper is an eagerly read source of communication among students, especially Features, Opinions and Sports articles. Publishing this newspaper is also a fine learning experience for any student planning a career in any of the communications media.

ABOVE, left to right, seated: Feature Editor Stacy Williams, Delashondria Sheffie, Production Manager Grenae Fleming, Monica Bell and Editor Eddie Fletcher. Standing: Kevin Guillory, Sports Editor Brian Blackmon, Sponsor Barry Tunick, Desmond Fredieu and Lewis Honer. Not shown: John Carr, Dominique Fletcher, Ronald Henderson, Christina McCrimmon, Jonathan Finley, Opinion Editor Sherry Parks and Phyllis Hunter.

YEARBOOK

Cougar's Path

This is the group responsible for the book in your hands. Hopefully it is filled with people and events you will always wish to remember fondly ...

RIGHT, left to right: Ronnie Fantroy at front and backed by first row: LaVonne Hill, Holly Fletcher, Adrian Hughes and Karen Heard. Second row: Angela Graham, Eddie Fletcher, Dionne Hawkins and Darin Hester. Third row: Cheree Harris, Lenea Clarke, Brian Blackmon, Darith Henry and Anthony Graham. Back row: Joseph Hall, Sherry Green, Felicia Holloway and Felicia Foster.

TABLE TENNIS CLUB

Table Tennis Club members develop skills and sportsmanship through practice and play. The club meets at lunch every day and offers its members friendship as well as fun. Perhaps you should check out this group next year?

LEFT, left to right: Mark Ussery, Manuel Abea, Barry Tunick (sponsor), Eric Beater and Ralph Waddy. Not shown: Ray Morgan, Anthony Harry, Pap Nicholson, Daryl Jackson and Derrick Johnson.

BELOW, holding board: Anthony Jackson. Middle, left to right: Natasha Alexander, Mark Tucker, Mr. Pierre-Louis (sponsor), Stephanie Lett, Trebein Bellows, Larry Davis and Deshawn Meriwether. Back, left to right: Tyrone Smith and Philip Thomas.

BACKGAMMON CLUB

The Backgammon Club also meets everyday during lunch and is another group which offers its members fun and friendship. Any student at Crenshaw is eligible and welcome. Members meet in Mr. Pierre-louis's room which also serves as an all-purpose gathering place.

CHESS CLUB

This is a group that is always in play. Mr. Gorelick, ever ready to open his room during lunchtime to any student interested in chess, or in need of a place to have lunch, welcomes all. In fact, the above group is only a **part** of the entire crew. (Therefore we shall leave them **nameless** because they have been ascribed elsewhere in this book.) Members sharpen their skills and check who is King not only at lunchtime, but during their Chess Tournaments as well.

ABOVE, left to right seated: Bertha Cross, Mr. Yette and Mr. Pierre-Louis (sponsors) and Alethea Dunn. Junior Marine Corps Reserve Officers Training Corps

A Tradition of Honor

In 1964, Public Law 88-647 was enacted by our government. It authorized the Secretaries of the Army, Navy and Air Force to commission Junior ROTC units at the high school level. The Secretary of the Navy then authorized the commandant of the Marine Corps to establish Marine Corps Junior ROTC units within the United States. The primary reasons for establishing this program were to develop informed and responsible citizens, strengthen character, promote an understanding of the basic elements and requirements for national security, help form habits of self discipline, and develop respect for, and an understanding of, the need for constituted authority in our Society. By making the decision to enter Crenshaw's Marine Corps Junior Reserve Officer Training Corps Unit, the cadets have become a part of the Marine Corps family with its proud traditions and heritage.

Project Citizen Classes are part of a California State funded project which emphasizes participatory experiences. Through participation in lessons which simulate city council meetings, jury trials, election campaigns, for example, students are able to acquire **feeling** as well as knowledge of how and what citizens **do** and what citizenship **means**. Some students also visit governmental and civil offices in downtown civic center as well as in Sacramento. Additionally, guest speakers have been invited to share their viewpoints with classes. The project was designed by Helen and Harold Tieger and has been implemented in many classrooms at Crenshaw and other LAUSD high schools during its existence.

C.S.F.

The **California Scholarship Federation**, or CSF, is an honor society open to all students who have at least a 3.5 GPA. Membership is renewed each semester, so students are motivated and encouraged to maintain their outstanding intellectual and citizenship performances. The reward is qualifying for scholarships and participating in both recreational and academic activities.

ACADEMIC DECATHLON

Students who participate in the **ACADEMIC DECATHLON** in the fall, train intensely in many disciplines. They give up an entire Saturday to be tested in math, science, English, economics and history. They also submit to an interview and give a short speech. The day's final activity is a grand quiz show complete with an audience of parents, friends and teachers. Several weeks later, a banquet is held during which the proud winners are announced.

FFA/FLORICULTURE

This group, **Future Farmers of America/Floriculture**, does more to visually beautify Crenshaw than any other. They can be counted on to make courages, table decorations and deliver stage greenery for all events, including Homecoming and special assemblies and meetings. In addition, they also have a plant sale every Friday afternoon, selling what they have raised at very attractive prices. Thank them the next time you meet them!

CRENSHAW'S ELITE CHOIR

Although smaller than in previous years, the award winning **Crenshaw Elite Youth Choir** still takes pride in its outstanding soloists, ensembles and dynamic arrangements. It is also a source of pride and enjoyment for the general student body as well, especially when it delivers a rousing rendition during one of the many assemblies it performs at. This year the choir was under the direction of Ms. Wilma Coleman.

STAGE BAND

For years our **STAGE BAND** has been responsible for putting that sparkle in our assemblies and helping make them **LIVE!** They frequently entertain us as we enter the Cougar's Den, and they help keep our spirits soaring as we leave. No doubt about it: This group has our beat!

PERFORMING ARTS CLUB

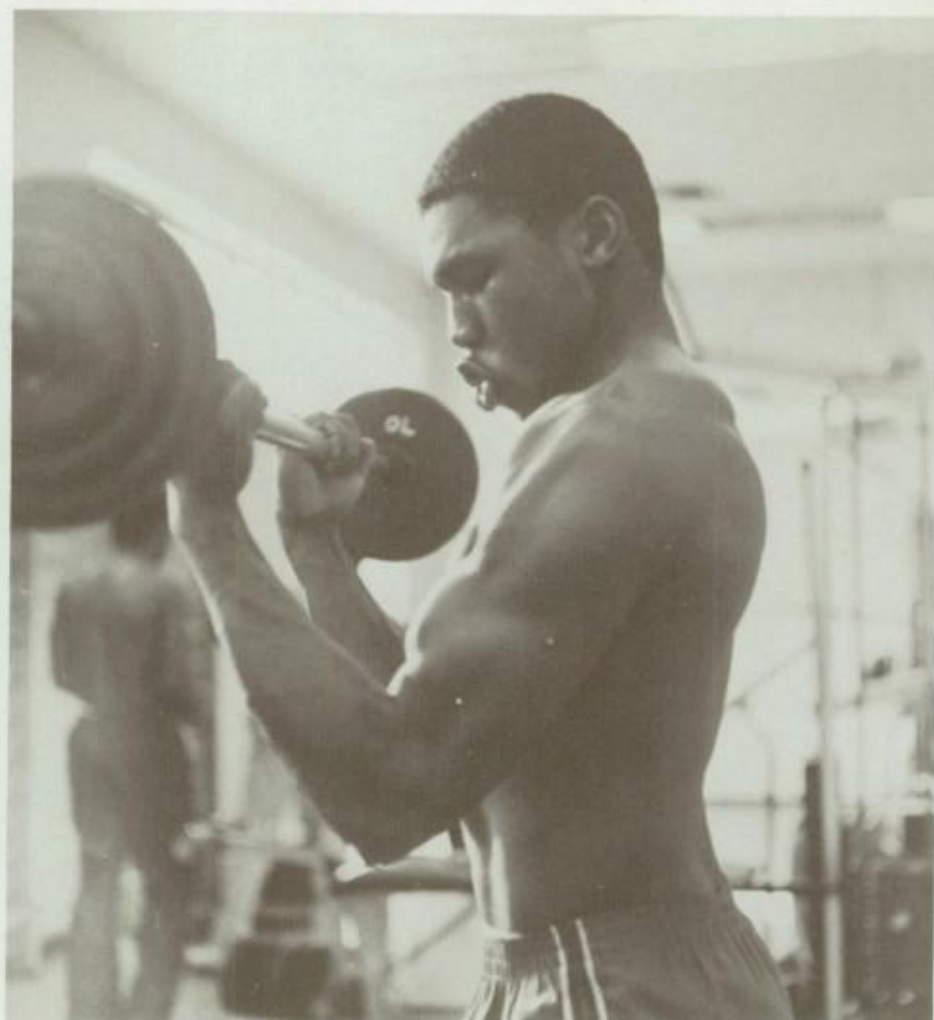

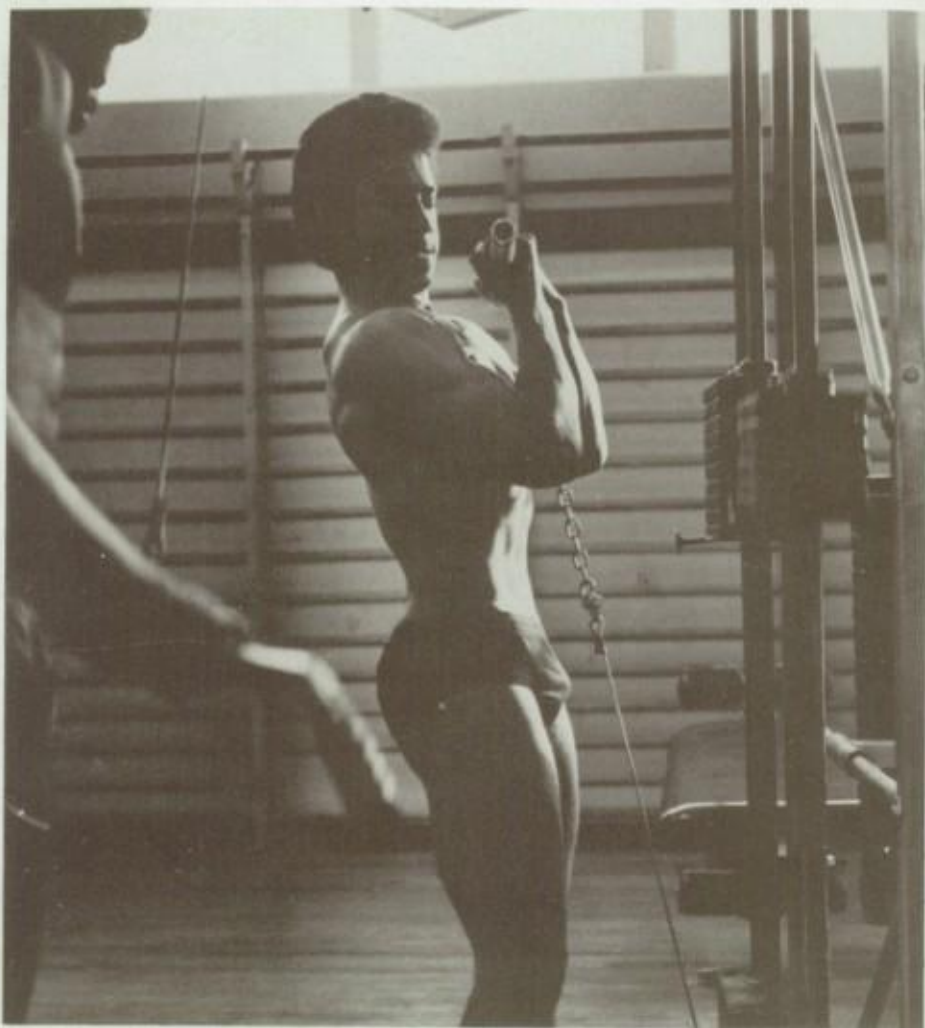

The **Performing Arts Club** is one of the hottest new clubs on the scene! Members have an interest in SHOW BIZ not only as performers and spectators, but also as the technicians behind the scene making the performance possible. For this reason, many of the members of this club are enrolled in Tele-Communications classes. They hope to acquire the skills necessary to enter into this highly competitive market. The intention of this club is also to have its members attend professional performances throughout the city. In this way they hope to become aware of the standards of performers who are of world-class caliber. And they also plan to just have a **GOOD TIME!!**

If you have the energy, you can follow them as they scale the slopes of nearby mountains, tromp the trails through local parks, and set up their bed rolls beneath the pines and stars! (**One warning though!**: Be careful to bring enough Goodies to eat. — All of this clean, wholesome living makes you **hungry like Harold!**) This year the group planned a great weekend trip to Catalina Island. Haven' **YOU** joined up yet?

The **Body Building and Weight Lifting Club** is open to all students in academic good standing. The club emphasizes four areas; 1. body building, 2. competitive weight lifting and power lifting, 3. training for sports, and 4. improvement of general muscle tone. The highlight of the club's season is the **Mr. Crenshaw** contest which is held during Young Men's Week in the spring. This raucous, good-natured event is eagerly anticipated by hundreds of students who turn out to scream and cheer for each of the contestants.

PROJECT CITIZEN STUDENTS IN SACRAMENTO

For Project CITIZEN students, the highlight of the semester is a special "Legislative Scholarship Award." The winning students flew to Sacramento for an overnight stay at a hotel near the Capitol. In Sacramento, they received a V.I.P. tour of the Capitol, met their legislators, the Governor and the Superintendent of Public Instruction. They had the opportunity to observe committee hearings and witness legislative sessions from the floor of the assembly and Senate. All four students agreed: "This was a **great** experience!"

STAFF

ENGLISH

Our English teachers do not only teach an interesting assortment of classes — such as Drama, Contemporary Comp and Books for Pleasure. They also seem to specialize in making our classes interesting and **useful**. Students learn not only how to read and perform a play, they learn how to **write** a story as well. We also learn how to **draft** a resume, **write** a business letter and **answer** a party invitation. These skills and talents will surely serve us for a lifetime...

SOCIAL STUDIES

These teachers give us classes which help us learn **what** and **why** we are ourselves. We are not only able to study History and Government, but also Sociology, Child Psychology and Marriage. This department is greatly responsible for helping make us responsible individuals, citizens and family members.

PROJECT CITIZEN

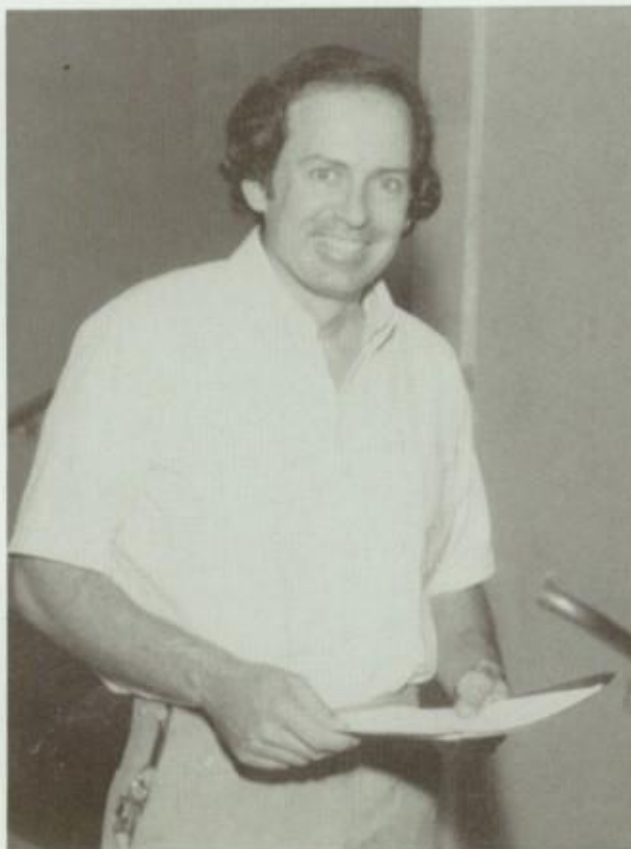

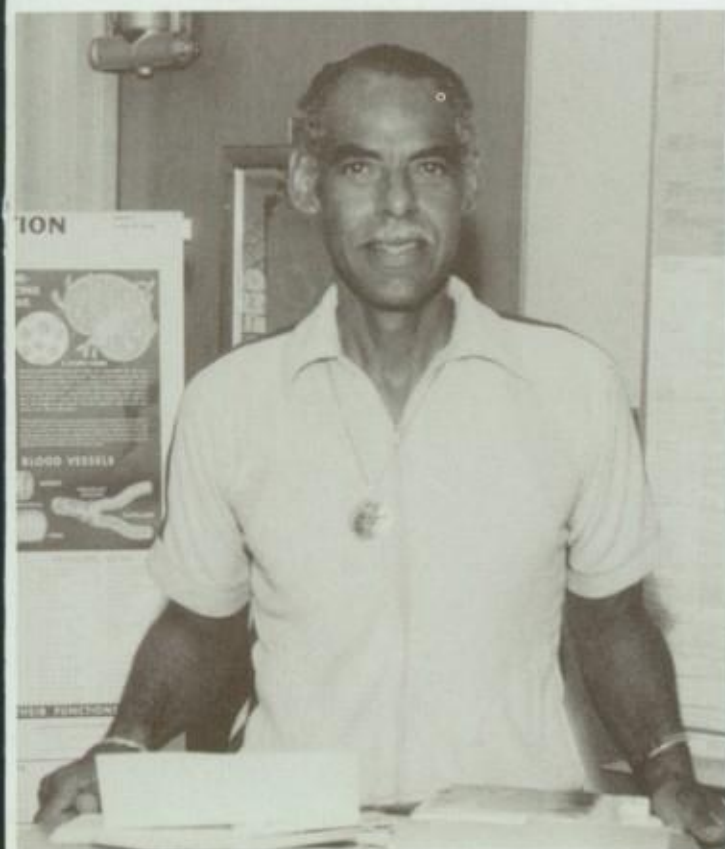

PROJECT CITIZEN is a state funded program developed by Helen and Harold Tieger. It is presently used at several public and private high schools in the Los Angeles area. Project CITIZEN encourages students in English and social studies classes to become involved in the electoral process through the use of active-learning in the classroom, guest speakers and fieldtrips. The highlight of the semester is a special "Legislative Scholarship Award." Winning students fly to Sacramento for an overnight stay at a hotel near the Capitol. (See page 122) Additionally, the CITIZEN newspaper is published periodically. Articles are written by participating students about their experiences in the program and their points of view on issues of concern to them.

HEALTH

The people who teach in this department are concerned with your **HEALTH**. They work very diligently to have every student understand the physical and mental conditions which are part of being well. Because they understand how important being well is, they are also involved in other ways here at the Shaw — such as body building, singing and dancing, athletics and job preparation. Therefore, they not only stress the importance of understanding **what health is**, but **how it can be maintained!**

Left to right, TOP: Steve Einhorn, friends and remains. MIDDLE: David Frierson at timely bulletin board and Ms. Congeniality, Wilma Coleman. BOTTOM: James West and Gary Pozzo.

SCIENCE

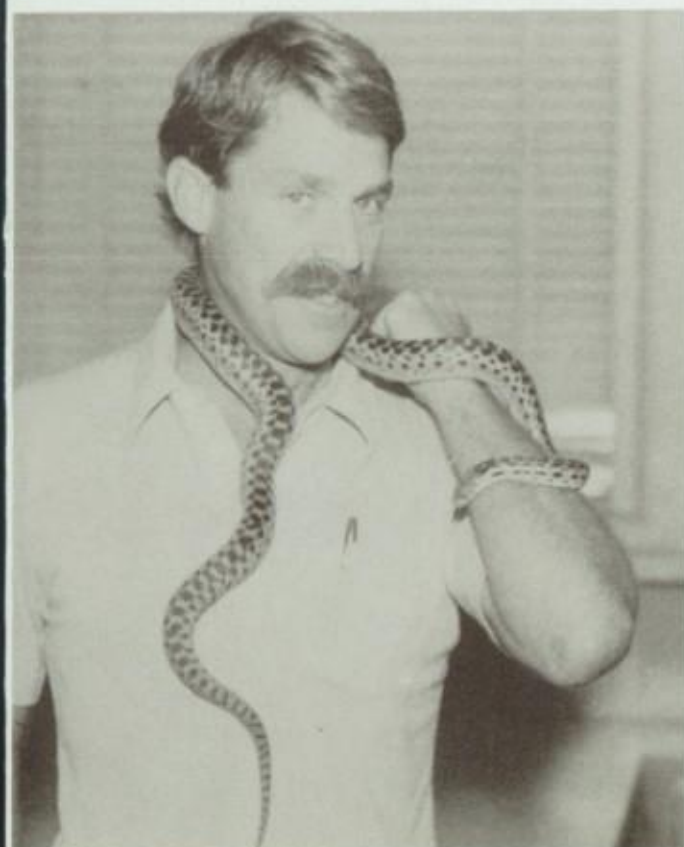

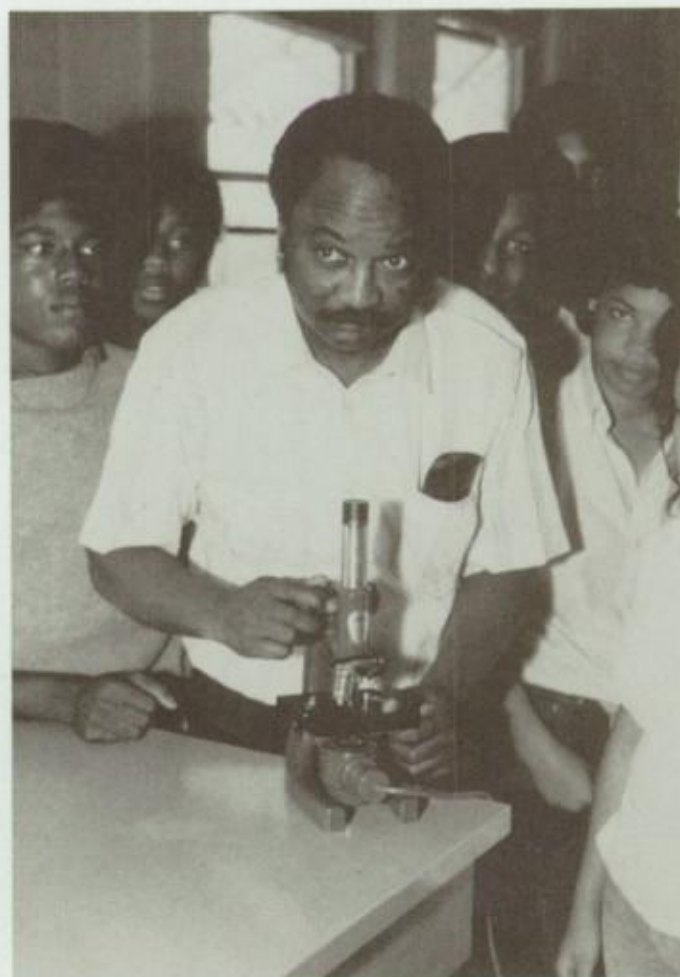

This is the department where things **happen**. You can really get into it in one of these classes, whether it's a small chemical reaction, a frog's gizzard or a pig's eye! Of course some students feel (**wrongly** though!) that what you actually get into is **trouble**. However, that shouldn't happen if you take advantage of the tutoring these good people offer. And besides, the hard work's worth it! Who can forget the first time they saw microorganisms through a microscope, or the wonders of chemicals in a vibrantly colored reaction?

MATHEMATICS

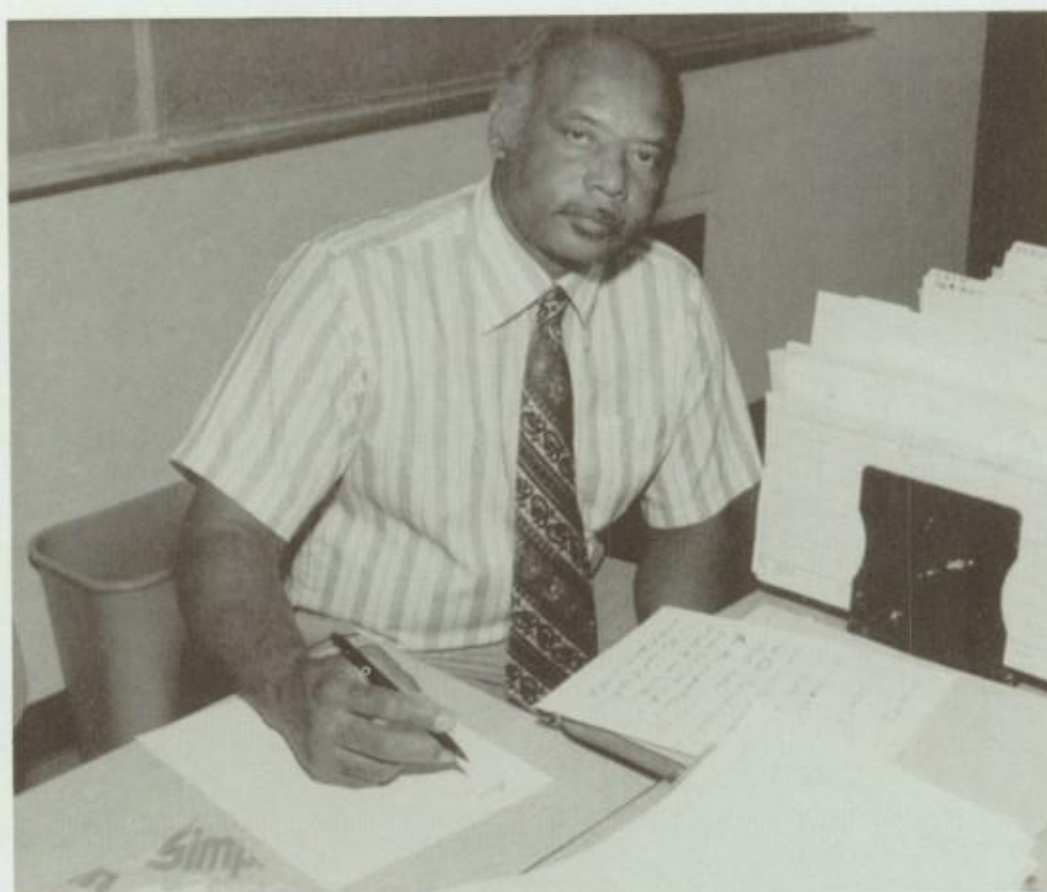

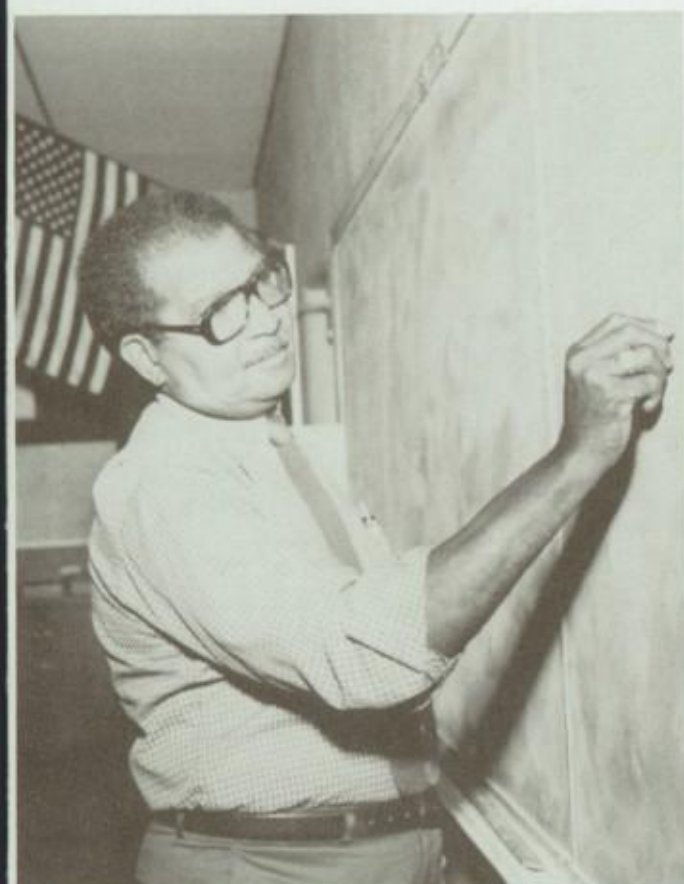

This department will help you **get it together** — or take it away, or divide it, or increase it in multiples. These teachers can also help you figure out your taxes, estimate your salary, budget your income and learn to double a recipe! For too long **MATHEMATICS** has frightened students. However, if you can pick-up skills such as these, you should bring apples and love letters to these teachers. They'll help you even if you don't though!

R.O.P./WORK EXPERIENCE

The **Regional Occupational Program (ROP)** is designed to give students information about an enormous variety of career opportunities. Are you interested in keypunch data entry, being a veterinarian assistant, a recreation aide, a security officer or a credit union teller? If you are, James West (below) is the man to see. He can give you information about hundreds of different careers and arrange for you to take classes which will help prepare you. These classes are available throughout the city, some during the school day and others after school or on weekends. Isn't it about time you check out this program?

The **Work Experience Program** here at the Shaw is designed to give students high school credits for experience they gain on a job. These jobs are in the afternoons, either after lunch or school. Some students work in stores, others work in fast food places, and still others work in business offices, service stations, grocery stores, pet stores ... Some jobs are available, or you may find your own. The great feature of this program is that students are able to acquire **money, experience** and **credits** at the same time! Check this out (with Grace Jordan, below) so that you can start using your math to count your snaps!

FOREIGN LANGUAGE

TOM: Jacques Pierre-Louis and Jeanine Indjayan, depart-
ment chairperson.

Do you ever plan to travel? Order dinner in an elegant restaurant? Swim on the French Riviera? Bask in Brazil? (Oops, that's Portugese!) If so, you could use a foreign language. Crenshaw offers both Spanish and French. Mastery of these would enable you to set off comfortably into a large number of countries, both near and far. Furthermore, if you should ever plan to do advanced study in any of many fields, guess what you'll need? Right, a **foreign language**! Think it over. Ciao, Baby!

DRIVERS EDUCATION

These teachers just possibly could keep your car — and **you!** — in better shape — if you practice what they teach!! Learning safe driving, the rules of the road and courtesy are the goals of the **Driver's Education Department.** Should you ask for anything more?

ABOVE: Merle McGee among future would-be drivers. BELOW, left to right: Tom Mertens and Gary Luce.

MUSIC

In past years our music program has been a **resounding** success. This year our music department was hard hit by the C - Average requirement for eligibility. Faced with the bleak prospect of no public performances — even in assemblies — the ranks of band and choir were all but decimated. In fact, we actually began second semester with no instrumental music classes. Although this was not our finest year, we know our choir and marching and stage bands shall be heard from again . . .

The teachers in **Industrial Arts** have a specific goal: to have students prepared for practical jobs which might be in industry. Many students are able to enter into jobs right after school that they were prepared for here at the Shaw. Auto body and mechanics, woodworking, electronics assembly, drafting, printing and video photography are all opportunities open to students who are **industrious** while passing through school. At any rate, even if a student never earns money with the skills acquired in these classes, the talents will always be useful in everyday life . . .

BUSINESS EDUCATION

If you want to get down to **BUSINESS**, this is the group of ladies who can help you do it! Many students have been able to find employment after school or graduation just by learning well the skills and information taught in this department. Typing, Office Practice and Accounting are valuable skills for anyone working in an office, but they are of use to each of us even if we do not plan to specialize in BUSINESS. Should you be checking this out?

PHYSICAL EDUCATION

This department will help you **shape up!** In addition, it can also teach you skills which can allow you to **entertain yourself** later in life. Why be an armchair athlete when you can be out there doing it for real? Shoot some hoops, puff up a small storm, get your blood moving faster, feel alive . . . This department also helps teach the value of team cooperation and sends a good number of its top athletes on to the Pros. But its main achievement is still helping make all of us feel more like Pros. Let's go!

JMROTC

Junior Marine Corps Reserve Officers Training Corps keeps its young men and women in step! Students in JMROTC are given an introduction to military discipline and life. This introduction may help them decide if a military career is for them. Even if they decide not to enter into military service, the discipline and skills learned will be of value . . .

The fine folks in the **ART DEPARTMENT** try to give every student a chance to learn techniques which will make them better artists. They also hope that their students will gain an appreciation for the art work of others—whether it be drawing, painting or photography. Additionally, these teachers want to give you skills which you can use to satisfaction in later life—even if you do not become a professional artist.

FINE ARTS

HOMEMAKING ARTS

The Homemaking department offers students a chance to practice the ART of creating a better home environment. Students, both men and women, can learn about the handling of fabrics for use throughout the house. They can also learn how to better manage their own finances. Warranita Clark (Below, right) the lone instructor in this department, also directs the Crenshaw Fashion Club.

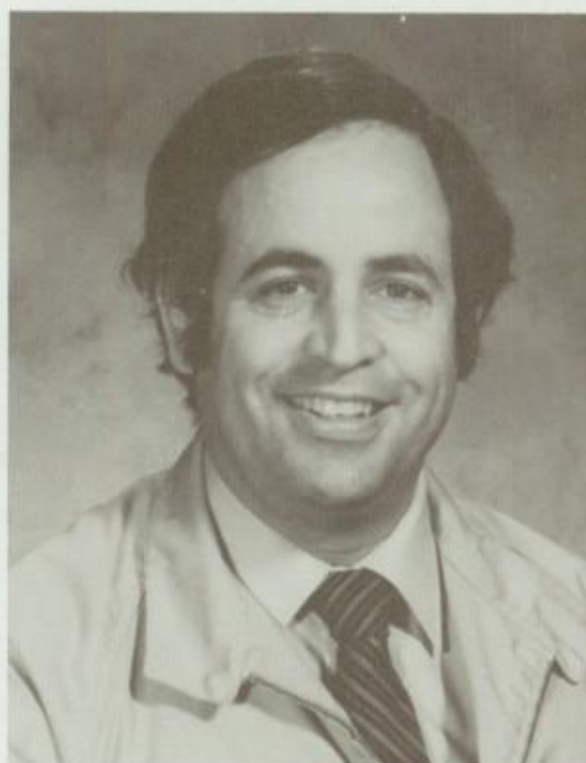

SPECIAL EDUCATION

This department is designed to give additional attention and help to students who need special assistance. Most of the students have need of additional help and materials because they have learning difficulties due to the way their hearing, seeing and remembering systems work—not because they have less intelligence. The only students here at the SHAW who are probably of diminished intelligence, and certainly retarded, (Socially, that is!) are those who yell "Dummies" or "Retarded" in through the doorway of Special Education classrooms. Faced with such ignorance and intolerance on the part of a few, Special Education students exhibit a lot of courage and strength . . .

Left to right, TOP: Fred Church, Otis Yette and Nadine Williams. CENTER: Lois Beaubian. BOTTOM: Theodoria Simpson and Lynne Walters. NEXT PAGE, left to right, TOP: Greg Mason, Etta Hart and Marilyn Kyle. CENTER: Delores Hayes and Muriel Drake. BOTTOM: Sheila Harris and Min Tsuchiya.

COUNSELORS

The Counseling Staff here at Crenshaw attempts to give every student both what is **wanted** and what is **needed**. Sometimes this "**simple**" goal seems impossible— especially to impatient students who may check in late, want to graduate in the 10th grade, have a scholarship to USC, a house on the hill and a car in the garage—all by the age of 18!!! Counselors need patience to perform their task—and **thanks** when it is done well! And so it goes for all of us: **Patience** and **appreciation**, those **magic** qualities, help make the world a lovelier and easier place to be in. **Try them?**

DEAN'S OFFICE

These folks are frequently considered the **"HEAVIES"** here at the SHAW! But we ask you: "Could any of these persons be less than friendly, charming and fair?" Their job is to ensure that everyone is treated fairly and justly, that every person's explanation is heard—and THEN they kick you out!! In all truth, each one of the Deans is a strong contender for "Most Popular" and each one is sincerely respected by a large number of students and staff.

The stalwarts (Alva Harper, Rocky Fuller and Eva Thomas) in particular are ladies who are fun to associate with and are always willing to help. The Office Staff at the SHAW is appreciated.

Frustration is the only word that can describe the 1983 Football Season. Eventhough the Cougars chalked up another winning season, the disappointment of missing the playoffs cast a pall of gloom over the '83 campaign. COUGAR'S TAKE CITY.... AGAIN!!

What can we **say** about Varsity Basketball here at the SHAW? Can anyone say anything that **needs** to be said? You know we took City again this year—**seven** times in our brief history! We proceeded into the State Championship Tournament hoping to again be State Champs. (Alas, that was not to be.) We lost in the finals, but our fans were provided with enough excitement to form memories for a lifetime . . . Our Cougars were led by All American Superstar John Williams and the other four powerful starting line-up: David Gray, Brent Hasson, David Carter and Jesse Spinner.

With continued hard work and determination, coupled with the excellent coaching of Coach Dennis and Coach Flowers, the team has great promise for the coming season.

FRONT: Jill Johnson, Nancy Curtis, Lisa Parks, Catina Bryant, Ranoda Diggins and Stacey Edison.

WOMEN'S TENNIS

The enthusiastic Girls' Tennis Team enjoyed a victorious season in City South League play. We were led by Senior Nancy Curtis, who played first singles for the SHAW, and Juniors Carolyn Benjamin and Lisa Parks, who played an exciting first doubles. These three ladies were voted All-League. Our overall season record was 8-4.

Our strong singles competitors were Bridget Egarton, Stacey Edison and Ranoda Diggins, followed by our standout doubles teams of Tish Swinger and Barbara McClendon, Lavetta Walls and Denise Watson.

JV players Charmaine Osby and Tracey Oatis gave us a glimpse of the exciting play for the future as they turned in winning JV records.

VARSITY 1984

The defending Western League Champions will be led by the very talented David Gray in the jumping events and Ralph Waddy in the 440 and 330 IH. The team is almost completely rebuilt with several new members from the 10th grade or last year's Bee and Cee squads. The sprint leader is Jacques Bowyer who is a definite threat to break school records in the Cee 100 and 200. He is supported by very capable sprinters—Wesley Wilson, Michael Smith and Jonathan Monroe. The hurdle corps will include two improving runners, Tyron Smith and Lonnie Crittenden. The longer races will be ably manned by Tyrone Carson and Darryl Kelly. Crenshaw also has one of the best shot putters in Western League, Oscar Finley.

This team is probably one year away from top form. It will have to contend with tough squads from Westchester, University and Palisades this year.

1983 TRACK IN REVIEW

1983 was a great year for Crenshaw track as the Varsity, Girls and Bees all won league championships. The Varsity narrowly took the title with a close 66-61 victory over University 52-51 for their championship. The Girls lost to Palisades but beat Palisades for a Tri-Championship in that division.

David Gray was the outstanding Varsity performer for the Cougars as he generally dominated all three of the jumping events (H.J. - 6'4", L.J. - 21'0", T.J. - 42'1"). T.J. Shepard was the league champion in both hurdle races (15.2, 40.3) and Calvin Ward won the league pole vault (1000"). The mile relay team (Fabian Pope, Ralph Waddy, Fred Page and Ed Hulbert) also won the gold (3: 29.4) in the League Championship meet. The 400 relay team (Page, Donald Frost, Hulbert and Ronald Frost) took 2nd in city while Ronald Frost finished 4th and Donald Frost 6th in the 100 meters city finals.

The girls, led by Robin Simmons in the sprints (school record 100 - 11.86, S.R. - 24.21) and relays: 400 members (Chantay Clark, Gayle Wadsworth, Stephanie Fletcher and Simon's - S.R. 3:48. 2a) Finished 2nd to Kennedy 61-79 for the city team title. Simmons won or helped win 4 events in that competition. She also finished 3rd in the 100 at the state meet. Other city contributors were Sharon Smith with a second in the 800 (and a S.R. time at 2:14.0a in the 800), 5th's in the 400 (Smith 0 56.92) 300 low hurdles (Brown; also a S.R. time of 46.22) and long jump (Wadsworth - 16'8 $\frac{3}{4}$ ", and a 7th in the 400 Clark - 58.47).

BEE AND CEE 1984

"TALENTED"

This year's Bee and Cee teams are loaded with talent; but most of these athletes will compete at the varsity level until city. Then, the Bee team may challenge for the championship as Varsity performers drop down to their proper classification.

Bee or Cee competitors this year will include Mark Jackson in the 880 and mile, Terry Clark in the 440 and high jump, Warren Hodrick in the pole vault, Curtis Tutt and Joseph Davis in the hurdles, Johnny Bradford and Robert Sanders in the distances and John Yarbrough, Lionel Marshall, Shawn Wise and Bobby Washington in the sprints.

—Coach Voiles

WOMEN'S TRACK

"WESTERN LEAGUE POWER"

The team leaders this year should be school record-holder Sharon Smith in the 880, 440 and relays and potential record holder Cassandra Vance in the high jump, sprints and relays. Most of the girls are young and have at least one more year to mature and improve. Adreanne Webb will help in the sprints, hurdles and long jump along with new comer Terri Pearson who will also high jump. Middle distance runners Sareana Smith and Joan Green will give able support in the 440 and 880. Cordelia Watler will run the mile and two-mile for the girls with support from Arlene Osborne and Diancea Williams. Two talented newcomers, Gail Brown and Yolanda Kelley, will provide added strength to the team in the shot put. This young team should repeat as league champions in 1984 and may have a good showing in the city meet.

MEN'S & WOMEN'S CROSS COUNTRY

Cross Country originated as a Fall sport. The basic purpose is to provide motivation for track athletes to get in condition during the Winter months. This is preparation for the coming track season. While many athletes still use Cross Country in this way, others view it as an exciting sport of its own.

Competition consists of a **distance run** including uphill and downhill terrain, as well as some **flat running**. Crenshaw's home course is that of picturesque Pierce College in the San Fernando Valley where Tenth Graders and Women run two miles and Varsity Men run a tough three-mile course.

Miss Lydia M. Knox
President

TO THE SENIOR CLASS OF 1984

The road to success is a long road. It has many winding turns and obstacles. Education is like a friend; as the old saying goes, "A Friend In Need Is A Friend Indeed." Pray to God and he will provide a special blessing just for you. You are young now and your minds are strong so be wise and you will find your golden opportunities will soon be along. Only you hold the key to the future, the key to success. For you will be successful in whatever you do. Congratulations to all of you because we know you have done your best!

Mr. David Silvers and Miss Lydia M. Knox

Making this yearbook for you — and us — was a learning experience. We learned about you and we learned about ourselves too. But mostly we learned how necessary it is to contribute to each other and how essential each of us can be. This is the legacy we have gained from our experience. We hope that this book will become a lasting memory and a reminder of the time we spent here together.

However, as wonderful as many of us may feel Crenshaw has been, we hope that it will be but one lovely (albeit important) memory in a good, long and useful life filled with such memories. We leave you with our best wishes and hopes for a life of satisfaction for each and a world of peace and plenty for all of us. May we each experience the joys of giving as well as the strength and courage for accepting help when needed. We wish you this with hope, with faith, and with fondness.
